- C. Tops of stalls may not be covered.
- D. **Electrical Equipment.** All electrical equipment (fans, blowers, extension cords, etc.) is subject to electrical inspection and subject to removal if unsafe and/or does not meet electrical codes.
- E. **Fans.** For purposes of electric conservation and safety, it is asked that fans be kept to a minimum and used only for heat stress prevention.
- F. All extension cords must be at least 12 gauge or large type G, PPE, S, SE, SEO, SEOO, SC, SCE, SCT, SO, SOO, ST, STO, STOO, W or other types identified for extra hard usage and must be of the grounding type. Extension cord must also be three-wire flexible.
1. No lightweight (2 wire) extension cords or "zip" cords (18 gauge or smaller) may be used anywhere on the State Fairgrounds. Octopus plugs and two-wire extension cords often create a fire hazard and will be removed if found in use during an event. Cables with a "J" in the type designation (such as Type SJT) are not permitted.
- G. **Blocking exits, walkways, extinguishers, electrical panels or other required safety devices is prohibited.**
26. **PROTESTS.** Protest fee is \$200 for a USEF member or parent of a junior exhibitor for all classes sanctioned by USEF (\$300 for non-USEF members). For all other classes the protest fee is \$100. All protests and questions not covered by these rules shall be decided and interpreted by the show committee whose decision shall be final. Disputes should be presented to the show management prior to filing a formal protest under the provisions of USEF rules and regulations. A protest must be signed by the protester, accompanied by a deposit of \$200 and received by the show secretary within 48 hours of the alleged violation. Please be aware that a protest can also be filed with the Federation Hearing Committee up to 10 days after your competition. A protest can also be filed with the Federation Hearing Committee as outlined in GR Chapter 6 or bylaws.
27. **SHARPS DISPOSAL.** Sharps containers will be provided in all barns for the disposal of needles and other disposable sharp instruments. ALL items of this nature MUST be disposed of in the provided containers. NO SHARPS are to be disposed of in any receptacle other than the provided sharps container. Any individual or entity not in compliance will be subject to a \$100 fine per USEF.
28. **HEALTH REQUIREMENTS.** All horses must be negative to an official test for Equine Infections Anemia within 12 months prior to the opening date of the exhibition. A test is not required for suckling foals accompanying a negative dam. The health papers must be turned in at the show office for each horse on the fairgrounds before picking up show numbers. This is a state law. Proof of flu/Rhino vaccination within six (6) months must be presented per USEF. These must be presented before numbers will be given out. Vaccination Requirements (per the USEF GR-844 Equine Vaccination Rule [CHAPTER 8F Welfare of the Horse] Rules Changes Effective 12/1/15)
- A. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccination within six (6) months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
- In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by competition management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
- B. In the case of a horse that is unable to receive either of the vaccinations due to history of adverse reactions, the exhibitor, upon request from competition management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the competition management, steward, or technical delegate when requested.

- C. Horses known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd may not be entered in an exhibition. Warts and ringworm are considered communicable diseases. Therefore, horses affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.
  - D. All horses will be inspected by the official veterinarian on the opening date of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any horses with symptoms of infectious or communicable disease. They may not enter a show ring. This includes horses with warts or ringworm.
  - E. Horses not originating in Minnesota: Horses must meet the Minnesota Importation requirements in addition to the above requirements. Health certificates must list the Minnesota State Fair as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition.
  - F. VETERINARIAN SERVICES. The State Fair has a veterinarian on duty 24 hours a day. Phone number (651) 642-2340. All services should be paid for in cash upon completion.
29. **HORSE WELFARE.** Conduct outside of the competition ring: Any action(s) against a horse by an exhibitor, deemed excessive by a judge, Federation Steward, Management/staff or Competition Veterinarian anywhere on the competition grounds may be punished by official warning or elimination from the class. Such action(s) could include, but are not limited to: excessive or improper use of the whip, spurs, reins, rider's weight or rider's hands; lunging a visibly exhausted horse; lunging an obviously lame horse; chasing a horse with a lunge whip or other inappropriate use of the whip; the use of a lunge whip with any type of appendage or attachment, including but not limited to bags and flags; excessive and/or disruptive cracking of the whip. In addition, after consultation with the Competition Manager and a Competition Steward, additional penalties, including one or more of the following: the issuance of an official warning card, disqualification from competing within the upcoming 24-hour period, or disqualification from the balance of the competition.
30. **HELMETS.**
- A. It is compulsory for all persons at Federation Licensed Hunter, Humper or Hunter/Jumper competitions, when mounted anywhere on the competition ground to wear properly fastened protective headgear in compliance with the accepted testing standards published n the Federation's website. Must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the national anthem only; they must refasten their headgear prior to the lap of honor. It is the responsibility of the rider or the parent or guardian of the junior exhibitor to see to it that the headgear intended for equestrian use, and is properly fitted and in good condition. See USEF GR 801.
  - B. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition.
  - C. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries. See USEF rules GR 801.
31. **NO GOLF CARTS PERMITTED ON FAIRGROUNDS FOR DURATION OF STATE FAIR HORSE SHOWS.**
32. **GOLF CARTS and MOTORIZED VEHICLES.** USEF Rule GR1301 Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian, or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. No golf carts/cars of any type will be permitted within the barn area, except official State Fair carts. Others will be impounded at owners' expense.
- The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties.
