Overnight Parking Rules and Information

1. **Electrical service.**
 - a. All spaces will be given access to power.
 - b. Bring electrical adapter suitable to your needs.
 - c. Exhibitors who hook up to the electrical outlets in the Robert A. Christensen Pavilion, West Barn, Forage Barn, Compeer Arena, or the north sides of lot A or D will be asked to leave.
 - d. Fuel powered generators are prohibited in the Livestock Lots A–D.
2. **Water and sewer (reserved and paid for Midway operators only).**
 - a. Livestock lots do not have water or sewer amenities; exhibitors attempting to hook up to the water or sewer on the north sides of Lots A or D will be asked to leave.
 - b. Two shower trailers will be available for exhibitors' use. Exhibitors utilizing the overnight parking facilities should use the shower trailers, NOT the dormitory showers. Showers in the dorms are for dormitory occupants ONLY.
 - c. A dump service is available from a contracted service provider for a fee.
 - d. Concessionaires, exhibitors and occupants may not deposit any refuse or empty any gray water, fluid wastewater or other liquids onto the ground or into streets, gutters, or catch basins. Fluids and wastewater must be discharged into approved sanitary sewer systems only. When sanitary sewer access is not available, holding tanks must be used until such waste can be properly discharged at an acceptable sanitary sewer access point. Grease and oil must be deposited in approved recycling containers. Violations will result in immediate forfeiture of space and parking credentials, payment of any fines assessed by the Minnesota Pollution Control Agency, possible forfeiture of premiums, and banned from participating at the Minnesota State Fair.
