2024 4-H Dairy Goat Judges

Travis Cockburn

Travis Cockburn is a lifelong resident of Johnston City II where he resides with his wife Channa, and son Caden. He has been an ADGA judge for the last 7 years. They raise Nigerians with a few Saanens under the herd name Cade's Lil Farm. Cade's Lil Farm started as a small project for Caden when he was in 2nd Grade. The herd is now an ADGA plus herd. They travel to multiple shows annually across the country. They have participated in DHI, and Linnear Appraisal for the last 8 years. They have bred multiple finished champions have does on the Elite list and continue to breed for the ideal dairy goat with many goats appraising over 90. One of their highlights at Nationals was to have the 2021 National Best Udder and the 2022 Reserve National Best Udder. In addition to raising goats, they run a custom hay operation in Illinois putting up 10,000 bales of quality horse and dairy goat hay for customers in the tri state area. Travis works in the insurance industry and enjoys spending time working on the farm, hunting or fishing in his spare time.

Jennifer Lohman-Peterson

Jennifer Lohman- Peterson lives in Endeavor Wisconsin with her husband and son. They maintain a herd of goats under the herd name 'Elm*Glen'. Jennifer started her love with the Dairy Goat as a teenager. Growing up in Wisconsin she was involved in 4-H and competed in shows around the state and would help commercial dairies with herd management. After college she took a job on a goat dairy in California and learned aspects from production to marketing. She became a judge with the American Dairy Goat Association in 1992. Many years and many goat shows have led her to judge across the country and internationally. Raising Dairy goats has been an important part of her life, and she is excited to be a part of the Youth Show for the Minnesota State Fair to share her knowledge and passion for Dairy Goats.

2024 Livestock Interview Finalists and Champions

Animal Science Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as young people. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help insure the stability of youth livestock shows as a *positive* form of youth development.

Interview Finalists will receive food coupons redeemable at the Gopher Dairy Bar and Northwest Designs.

Interview Champions will receive a chair sponsored by Minnesota Livestock Breeders Association.

4-H Alumni & Friends

When many people hear “4-H”, they think of the fair or a project they loved. But the power of 4-H is the network of adult volunteers who mentor and engage 4-H’ers in their community. As a friend of 4-H, you see how youth build positive skills as they participate in 4-H experiences.

Last year, 40,516 youth enrolled in Minnesota 4-H, and 10,146 of those are new 4-H’ers. Over 7,000 devoted volunteers support 4-H in their community through clubs, one-day workshops, camps, online courses and afterschool programs.

Donors make it possible. When you give, you support future leaders of our great state by funding innovative learning and leadership activities, camps, scholarships and training for volunteers.

Follow Minnesota 4-H on Facebook! Stay connected through stories about 4-H’s impact on youth and communities across Minnesota – and learn about opportunities to **volunteer** and **advocate** for 4-H.
