Bob grew up on a dairy farm in Manitowoc County, WI and graduated with a BS in Dairy Science in 1985 from UW Madison participating in the Badger Dairy Club and in the judging program. He spent 2 years as an area representative and classifier for the National Brown Swiss Association after college. Since 1987, he has been employed by Vita Plus Corporation, a regional feed company based in Madison, Wisconsin. Bob has spent numerous years coaching county 4-H teams and has judged over 300 dairy shows in the last 39 years. He is the secretary/treasurer of World Dairy Expo and has served as the Brown Swiss and Holstein ring man at World Dairy Expo since 1985. He is a proud father of two daughters who are active in the dairy industry. Ashley is a proud graduate of the University of Minnesota in the spring of 2023 and recently completed her term as the 76th Alice in Dairyland. Sarah will be a senior at the University of Minnesota graduating in spring of 2025. She is the current senior chairperson of the Gopher Dairy Stand here at the Minnesota State Fair and is active on campus in numerous undergraduate activities. Bob and his wife of 35 years, Lisa, live in Poynette, Wisconsin.

Elizabeth Olson Hall – Judge of Registered Holsteins

Elizabeth resides in East Montpelier, Vermont on Fairmont Farm with her husband Ricky, son Teddy, and daughters Hazel and Ruby. She was raised on Raylore Farm, a Registered Holstein farm in Hutchinson, Minn., where they consistently exhibited at the county and state fairs. Elizabeth graduated from the University of Minnesota with degrees in Animal Science and Applied Economics. While there, she also competed on the collegiate dairy judging team. Now in Vermont, Elizabeth is a Senior Sales Representative for Elanco Animal Health and a marketing specialist at Fairmont. There, they milk roughly 1,500 Holsteins and have bred or developed multiple All-New England animals with a few All-Americans. Most notably, she co-managed 'The Favorites of Fairmont', a repeating on-farm sale of over 100 head. Outside of that sale, they typically breed, raise, and sell numerous show type individuals each year. Elizabeth has judged in 12 different states and most recently judged at the Wisconsin State Fair, the Connecticut State Show, and is traveling to the Maryland State Fair next week.

Michael Schmitt – Judge of Total Merit

Michael grew up on a registered Holstein farm in Rice, MN with an early connection to cattle judging and genetics. He routinely showed cattle in local and state competitions and exhibited the Junior All-American Aged Cow in 2011. Michael attended the University of Minnesota and obtained a BS in Animal Science – Dairy Production and was a member of the winning collegiate team at the All-American contest in Harrisburg, PA and a top 10 individual finisher in all collegiate contest competitions. After graduation, Michael worked for Accelerated Genetics for 2 years in the genetics department before heading south to attend graduate school at the University of Florida in Dairy Cattle Genetics where his research contributed to further enhancing the Net Merit formula. Today, Michael works for PEAK Genetics as the Director of Genetics, leading the genetic creation of elite Holstein and Jersey bulls for use in AI through an extensive embryo transfer program and cutting-edge reproductive technologies. Michael enjoys working with dairy youth programs and seeing the enthusiasm of the next generation of dairy leaders.

Crystal Sinn - Judge of Grade Holsteins

Crystal Sinn grew up in Cleveland, Wisconsin on her family's Registered Holstein farm where she exhibited Holsteins at local, state, and national levels. She has bred one EX-95 cow, Siemers Alisha Gold Ava-ETS, who was recognized in 2012 as the Star of the Breed, courtesy of Holstein Association USA. Alongside her mother and grandmother, Crystal enjoys acquiring, breeding, and showing elite Jerseys and Holsteins under the name "Cupid Cattle Company." In 2016, she was part of the winning team at the National Intercollegiate Dairy Judging Contest at World Dairy Expo. Crystal graduated from the University of Minnesota-Twin Cities with a Bachelor of Science in Agriculture and Food Business Management. After graduation, Crystal worked for the Department of Agriculture, Trade, and Consumer Protection serving Wisconsin's agriculture industry as the 70th Alice in Dairyland. Crystal works for Sartori Cheese as a National Sales Account Manager, selling bulk cheese to food service and ingredient

customers, and closely collaborates with chefs and research and development teams across the United States. Crystal resides in Trimont, Minnesota with her husband Ean and their five month old son, Marvin. Together they own and operate the "Sinn Family Celebration of Life Center," a funeral home and event center. One of her biggest passions in life is working with youth on their dairy judging and showmanship skills.

Tanner Morrison – Judge of Red and White, Crossbreds, other colored breeds

Tanner Morrison grew up on his family's registered dairy, Esperanza Cattle Company, in Peterson, MN where they have bred, owned, or sold nominated All-Americans in the Jersey, Holstein, and Brown Swiss breeds. 4-H Alumni & Friends

When many people hear “4-H”, they think of the fair or a project they loved. But the power of 4-H is the network of adult volunteers who mentor and engage 4-H’ers in their community. As a friend of 4-H, you see how youth build positive skills as they participate in 4-H experiences.

Last year, 40,516 youth enrolled in Minnesota 4-H, and 10,146 of those are new 4-H’ers. Over 7,000 devoted volunteers support 4-H in their community through clubs, one-day workshops, camps, online courses and afterschool programs.

Donors make it possible. When you give, you support future leaders of our great state by funding innovative learning and leadership activities, camps, scholarships and training for volunteers.

Follow Minnesota 4-H on Facebook! Stay connected through stories about 4-H’s impact on youth and communities across Minnesota – and learn about opportunities to **volunteer** and **advocate** for 4-H.
