2024 Livestock Interview Finalists and Champions

Animal Science Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as young people. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help ensure the stability of youth livestock shows as a *positive* form of youth development.

Interview Finalists will receive coupons redeemable at the Gopher Dairy Bar and Northwest Designs.

Interview Champions will receive a chair sponsored by the Minnesota Livestock Breeders Association.

Congratulations to the 2024 Beef Interview Finalists and Champions! Champions are bolded.

UNIVERSITY OF MINNESOTA EXTENSION

4-H Alumni & Friends

When many people hear “4-H”, they think of the fair or a project they loved. But the power of 4-H is the network of adult volunteers who mentor and engage 4-H’ers in their community. As a friend of 4-H, you see how youth build positive skills as they participate in 4-H experiences.

Last year, 40,516 youth enrolled in Minnesota 4-H, and 10,146 of those are new 4-H’ers. Over 7,000 devoted volunteers support 4-H in their community through clubs, one-day workshops, camps, online courses and afterschool programs.

Donors make it possible. When you give, you support future leaders of our great state by funding innovative learning and leadership activities, camps, scholarships and training for volunteers.

Follow Minnesota 4-H on Facebook! Stay connected through stories about 4-H’s impact on youth and communities across Minnesota – and learn about opportunities to **volunteer** and **advocate** for 4-H.
