2024 Minnesota State Fair

Welcome to the 2024 Minnesota 4-H Livestock Shows

Greetings to 4-H Members, Parents, and Supporters,

Whether you are a 4-H participant or a 4-H enthusiast, we welcome you to the 2023 edition of the Minnesota State Fair 4-H Livestock Shows. Over 2,800 4-H youth from nearly every county in Minnesota are participating in a variety of educational activities including breeding and market livestock shows, demonstrations, herdsmanship, Livestock Interviews, Auctions, Showcases, judging contests and so much more. Each event has been designed to further develop the leadership skills and livestock knowledge of 4-H members in an enjoyable and public setting. These communication, leadership, and livestock educational exhibits have been set-up for the public to increase your knowledge and understanding of the 4-H Animal Science Programs.

Please join us in thanking the Minnesota State Fair, the volunteer 4-H leaders, 4-H Extension Staff, businesses and organizations for their tremendous support which leads the success of each livestock show.

Have a great day at the 2024 Minnesota State Fair and join us in continuing to support its 121 year legacy.

Enjoy the show!

2024 4-H Lamb Lead Judge

Market Lamb & Market Lamb Showmanship Judge- John Mrozinski

John was raised in Indiana with a family tradition of quality sheep. John judged competitively at Butler Community College and Kansas State University. He also coached teams at South Dakota State University. John now lives in Colorado where he works in the beef feedlot industry. He and his wife, Bailey, also raise and market top quality Southdowns across the country.

Breeding Ewe & Breeding Ewe Showmanship Judge-Rob Zelinsky

Rob is a Small Ruminant Nutritionist for Hubbard Feeds. He grew up in Northwest Iowa on a sheep operation. College took him to North Dakota State University where he earned a BS and MS in Animal Science with research emphasis on lactation nutrition in ewes. More recent work experiences included managing sheep units at two Land Grant Universities, teaching College level Animal Science classes, and feed sales account management. He and his wife Christy and adult children (Riggen, Rhett and Raesa) continue to raise Suffolk sheep to this day. He enjoys watching his sons play/coach baseball and his daughter show livestock projects. Besides his sheep addiction, Rob enjoys watching college and pro sports and cheering for the Black and Gold team south of the MN border.

Let's come together to support the next generation of leaders in agriculture and beyond!

THE 4-H LAMB LEAD EXPERIENCE

4-H Lamb Lead combines agriculture, fashion, consumer education, and leadership. It's a chance for 4-H'ers to shine, build self-confidence, and learn about the sheep and wool industry from farm to fashion.

Thanks to 4-H legends Dick Boniface & Juanita Reed-Boniface, senior and intermediate champions receive awards. Paul & Mamie Luhmann provide medals for top competitors, and the Minnesota Livestock Breeders Association supports a \$30 prize for all exhibitors.

4-H Lamb Lead is growing statewide, and **we need your help to expand further!**

OUR GOAL

The volunteers who lead 4-H Lamb Lead aim to raise \$20,000 for a new endowment fund supporting 4-H Lamb Lead. This will provide increased cash awards for youth participants and training for new judges and volunteers.

Double your gift! Donations made in August and September will be matched 1:1 by the Minnesota 4-H Council, up to \$3,000.

Your contribution, no matter the size, will directly impact 4-H'ers – encouraging participation and recognizing achievements. Let's make a difference for Minnesota through 4-H!

2024 Livestock Interview Finalists and Champions

Animal Science Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as young people. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help insure the stability of youth livestock shows as a *positive* form of youth development.

Interview Finalists will receive coupons redeemable at the Gopher Dairy Bar and Northwest Designs.

Interview Champions will receive a chair sponsored by the Minnesota Livestock Breeders Association.

Congratulations to the 2024 Sheep Interview Finalists and Champions!

UNIVERSITY OF MINNESOTA EXTENSION

4-H Alumni & Friends

When many people hear “4-H”, they think of the fair or a project they loved. But the power of 4-H is the network of adult volunteers who mentor and engage 4-H’ers in their community. As a friend of 4-H, you see how youth build positive skills as they participate in 4-H experiences.

Last year, 40,516 youth enrolled in Minnesota 4-H, and 10,146 of those are new 4-H’ers. Over 7,000 devoted volunteers support 4-H in their community through clubs, one-day workshops, camps, online courses and afterschool programs.

Donors make it possible. When you give, you support future leaders of our great state by funding innovative learning and leadership activities, camps, scholarships and training for volunteers.

Follow Minnesota 4-H on Facebook! Stay connected through stories about 4-H’s impact on youth and communities across Minnesota – and learn about opportunities to **volunteer** and **advocate** for 4-H.
