DAVE SPRENGELER MEMORIAL AWARD - David Sprengeler was an avid Brown Swiss Breeder, MN Livestock Hall of Fame Member, Dairy Cattle Judge, and dairy cattle exhibitor. His love for his family and friends extended throughout his community and was especially strong within the Registered Dairy Cattle Industry. His presence and encouragement electrified others to become involved in the show circuits: 4H/FFA lease programs as well as Open Class shows. Throughout his involvement in dairying, David cherished each friendship he made over the years, and wanted others to experience the same.

David was passionate about Registered Brown Swiss and promoted them throughout the Minnesota State Fair. He sought to gain new dairy involvement and created a sense of inclusivity that drew new people into the dairy exhibitor realm. He honored and respected the established breeders, but welcomed newcomers.

Because of his passion for breeding and developing cattle, David embodied the spirit of comradery, and mentorship that is greatly missed. Helping others in any way possible, to achieve their goals on local, state, and national levels was a particular focus. David took great pride in helping guide the next generation of cattlemen and young professionals. He leased out an incredible amount of 4H animals over several decades, and was always proud of the juniors' hard work.

Judging cattle was a special interest of David's. He opened his doors to anyone interested in practicing their hand at this skill. As a judge, it was his goal to make sure every exhibitor and breeder felt seen in the show ring.

In all, David was there as a friend and mentor to so many. He always offered a smile, pat on the back, and encouragement for others to continue to do their best while exhibiting their cattle. In remembrance of his spirit, it is our hope that many continue to embody the same values and qualities in which he possessed, and to create lifelong memories in doing so.

Recipients: *2022 – Loren Olson, Raylore Farm, MN*
 2023 – Roger & Lori Read, Reads Brown Swiss, MN
