# **WELCOME TO THE PURPLE RIBBON LIVESTOCK AUCTION**

Once again, it is our pleasure to welcome you to the annual Purple Ribbon Market Livestock Auction. This year marks the 45<sup>th</sup> anniversary of the auction at the Minnesota State Fair. This traditional Labor Day event moved to the first Saturday evening of the State Fair in 1999 and it has broken records every year since!

The livestock produced and shown by these young people here today reflects and demonstrates the tremendous improvements made by livestock producers to meet current consumer demands for leanness, meatiness, taste and nutrition. In addition to meat production, livestock are raised for the byproducts they produce, including fibers for clothing and warmth, leather, and medicines to improve human health.

The future of the livestock industry lies in the hands of today's youth. They are producing and feeding livestock to meet the needs and objectives of the industry and for their own economic livelihood. The care and devotion they give their animals represents the very best in animal husbandry. Those who have done a superior job of selecting, feeding, and showing, will be leading their animals into the auction ring for this "Cream of the Crop" sale.

In the 2023 auction, interested, sound thinking supporters paid youthful exhibitors an average premium of \$12,390\* for market beef, \$7154\* for dairy steers, \$9,086 for market barrows, \$9190\* for market gilts, \$6,914\* for market sheep and \$10,072\* for market goats. This did not include the champion and reserve champion animals.

Prices and sponsors of the Grand Champion animals in 2023 were: Dairy Steer, \$25,500\*, American Foods Group, Central Livestock/CRI and O & S Cattle Co., all of South St. Paul; Market Barrow, \$22,700\*, Cargill Animal Nutrition & Health, Wayzata Hog Slat, Sioux Valley Tiling and Hormel; Market Gilt, \$19,000\*, Cemstone, Lake Elmo; Market Sheep, \$12,700\*; Minnesota Farmers Union, Farmers Union Agency and Farmers Union Industries LLC, State Fair Concessionaires; Market Meat Goat, \$9,175\*, Minnesota Farmers Union Foundation, Farmers Union Agency and Farmers Union Industries; Market Dairy Meat Goat, \$7,530\*; Long Cheng Hmong Meats; Meat Goat Doe, \$7,250\*, Swanson Meats, Freeborn County Purple Ribbon Club; Pen of Chickens, \$8,050\*, Minnesota Farmers Union, Farmers Union Agency, Farmers Union Industries LLC, Divine House and Martin County Purple Ribbon Club; Pen of Turkeys, \$14,650\*, Minnesota Farmers Union, Farmers Union Agency, Farmers Union Industries LLC and Meeker County Supporters.

Prices and sponsors of the Reserve Champion animals last year were: Market Beef, \$44,500\* Cemstone; Dairy Steer, \$23,800\*, American Foods Group; Market Barrow, \$19,900\*, Minnesota Farmers Union, Farmers Union Agency and Farmers Union Industries, Alltech; Market Gilt, \$15,100, Swanson Meats and Wakefield Pork; Market Lamb, \$14,150, Hy-Vee Foods and Minnesota Farmers Union, Farmers Union Agency and Farmers Union Industries; Market Meat Goat, \$12,075, Minnesota Farmers Union, Farmers Union Agency, Farmers Union Industries LLC and Dodge County Purple Ribbon Club; Pen of Chickens, \$5670\*, Mower County Purple Ribbon Club and Larry & Mark Peterson, Amboy; Pen of Turkeys, \$10,200\*, Minnesota Turkey Growers, Jennie-O Turkey and Divine House.

Bids will be taken on each individual animal at any amount a ringside buyer wishes to offer as a premium or an award to that exhibitor. The Auctioneer will take it from there in an attempt to get the highest possible price for each youthful owner in this competitive auction. The exhibitors will receive the slaughter value of the animals from the commercial marketing channels following the auction plus the net premium bid in the auction.

Again this year, we will display the Grand Champion animals in the Cattle Barn the final eight days of the fair. This gives the 4-H program the opportunity to showcase their finest livestock in front of in excess of 1,300,000 fairgoers.

Sponsor of this auction is the Minnesota Livestock Breeders' Association, an overall organization consisting of 22 principal, state-wide, purebred livestock breed associations of all species of livestock. Membership totals 2,800 breeders who supply superior seed stock to the livestock industry. It is the firm conviction of the Association, along with all the supporters of the auction, that not only should improved skills be perfected and awarded but also that the building of better citizens be promoted. This auction offers a real opportunity to do just that. Congratulations to our youthful exhibitors, sincere thanks to all auction supporters and bidders and best wishes for a most successful 2024 Auction!

--Purple Ribbon Livestock Auction Committee

# 2023 MLBA Contributions

**In 2023, the Minnesota Livestock Breeders' Association has donated over \$75,000 towards livestock youth development.** The following are just some of the groups MLBA financially supported:

- Numerous 4-H requests including, but not limited to: bussing 4-H State Fair exhibitors to and from dorms, judging team travel, Project Bowl, Regional Animal Science Days, Gopher Dairy Camp, judges training, monetary awards for livestock presentations at State Fair and many more
- FFA: award plaques, judging team travel, monetary awards for market and breeding champions at State Fair
- Peer Mentor Group at the State Fair
- Requests from independent groups supporting agriculture, including: Minnesota State Fair Foundation, Minnesota Ag in the Classroom, Minnesota Pork Board, Minnesota Royal, Minnesota Jr. Holstein Association, Nobles County Fair, Minnesota Junior Spring Classic, Minnesota Draft Horse Breeders, Minnesota AgriGrowth, and Minnesota Beef Expo

Beyond the above support, the MLBA's "4-H Scholarship Matching Sponsorship" program provided \$140,000 worth of scholarships to 58 high school graduates in 2023. The MLBA contributed half of that money.

The MLBA also runs the MLBA 4-H Purple Ribbon Auction. There, they are responsible for all expenses occurred. Those things include but are not limited to: auction clerking and billing, website updates, projection screens, caretakers of the champions, live-streaming, social media, stalls for champion market animals, banners and signage for the champion display and auction, as well as stall signs for auction animals.

## Minnesota Livestock Breeders' Association

Organized in 1896, the Minnesota Livestock Breeders' Association is an organization composed of 22 the principal statewide, purebred livestock associations of all species of livestock: beef cattle, dairy cattle, swine, sheep, goats, poultry and horses. These associations currently have a total membership of over 2,500 breeders of registered livestock. The organization is dedicated to the promotion of the long-term best interests of livestock breeders and producers and to represent them in the resolution of their common problems.

Over the years, the MLBA has been active in many important endeavors. In cooperation with the Minnesota Veterinary Medical Association, the MLBA was instrumental in the 1903 creation of the Minnesota Board of Animal Health. Each year at the MLBA Annual Meeting, resolutions on issues of vital concern to livestock producers and breeders are adopted, and these policy positions are distributed and publicized. The MLBA has also initiated a proactive, positively positioned animal welfare program, and through the Minnesota Forum for Animal Agriculture has gained and stimulated the support of many other agricultural groups.

The MLBA has always paid particular attention to the encouragement and guidance of youth. Numerous livestock programs and projects for Minnesota's youth are conducted and financially supported by the MLBA. Just a few examples include financial aid to counties for the purchase of 4-H livestock aids, kits, and materials with which to train project leaders and 4-H members. Prizes and trophies are presented to 4-H and FFA livestock winners at the State Fair. Scholarships are provided each year to young people who are interested in pursuing college educational careers in livestock and related livestock enterprises. And of course there is the MLBA 4-H Purple Ribbon Auction in which the MLBA has conducted and financially supported since 1918.

Since the MLBA 4-H Purple Ribbon Auction moved to the State Fair in 1980, the MLBA is over \$11,000,000 in auction proceeds, of which \$900,000 has gone into the scholarship program since 1995. Over \$900,000 has been contributed to various 4-H programs throughout the state.
