## A. Create a News Release to Share Newsworthy Information With the Media (see a sample news release included at the end of this packet)

### *News Release Instructions*

1. At the top of the page, use the title phrase "News Release" in large, bold letters.
2. Include your logo or company image if available.
3. List contact information for the person media inquiries should be directed to during the fair. Include phone, number and email address.
4. Create a headline describing the news in a phrase. Focus on the most newsworthy information.
5. Insert the date you are distributing the news release underneath the headline.
6. Form the body of the release by including the following:
  - A lead, usually the first sentence or short paragraph, to grab the reader's attention and give the most important/interesting facts: the who, what, where, when, why and how of the news.
  - A second paragraph, including other important details and/or essential background information.
  - A third paragraph and any subsequent paragraphs, which include any secondary information and/or background you think is necessary.
  - A last paragraph or "boilerplate" with information about your company's history, location on the fairgrounds, etc.
7. Other tips:
  - Single space. Ideally all information should fit on a single page.
  - Use legible fonts that are 12 points in size.
  - Use -###- centered at the bottom of the page to signal the end of the news release.

### *Distribution Process*

- Submit your news release to the marketing & communications department **by Friday, Aug. 10**, to [media@mnstatefair.org](mailto:media@mnstatefair.org) or via mail Attn: Marketing & Communications Department, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108.
- The marketing & communications department will make copies and distribute them to all on-grounds media on the first day of the fair. Because commercial space regulations prohibit you from distributing materials outside of your approved booth space during the 12 days of the fair, we offer to distribute the information for you.

***Special Note:** The marketing & communications department will announce New Foods in mid-June and New Exhibits/Attractions in mid-July. If you have something new for 2018 and would like it to be considered for these announcements, please contact the concessions & exhibits department at (651) 288-4456 to coordinate and confirm deadlines.*

## **B. Generate News Story Ideas**

### *Send Your Ideas to the Marketing Department*

- If you have a unique story idea related to your product or business, we would be happy to share it with our media contacts, provided it suits their needs and has one or more of the following news values: timeliness, significance, uniqueness, newness or human interest.
- Send your ideas via email anytime to [media@mnstatefair.org](mailto:media@mnstatefair.org).

### *Pitch Your Ideas to the Media*

You are welcome to share your ideas directly with the media anytime **prior** to the fair, as this is when the media usually start to formulate their stories. If you need a list of local media, email [media@mnstatefair.org](mailto:media@mnstatefair.org).

## **C. Submit Information for State Fair Publications**

Concessionaires/exhibitors/sponsors/attraction operators may submit information about their businesses to be considered for the following State Fair publications: media kit, website (including the online State Fair Finder), daily schedules, Official Guide and social media. We make no guarantee that your information will be included. We reserve the right to edit submissions. Deadline for information to be considered is **June 1, 2018**. Submissions should be sent to [media@mnstatefair.org](mailto:media@mnstatefair.org).

## **D. Offer a Special Deal, Drawing or Giveaway**

Deals, drawings and giveaways are opportunities for you to offer approved promotions that drive traffic to your business and may attract media coverage. These approved promotions are listed in the State Fair Finder at [mnstatefair.org](http://mnstatefair.org) and in the Deals, Drawings and Giveaways Guide, which is distributed free at all information booths. Deals, Drawings and Giveaways Guide participants will receive a special sign to display in their space. You may offer special deals on the following days: Thrifty Thursday (Aug. 23), Seniors Days (Aug. 27 and 30), Kids Days (Aug. 27 and Sept. 3), Military Appreciation Day (Aug. 28) and Last Chance Day (Sept. 3). Freebies and items for \$1 or less are also listed in the Deals, Drawings and Giveaways Guide. The sign-up form will be mailed to you with your license packet in the spring and it must be submitted to the concessions & exhibits department by **June 22, 2018**. For more information, contact the concessions & exhibits department at (651) 288-4456.

## **E. Create Your Own Twitter, Instagram, Facebook or Snapchat Account**

Creating a social media presence for your product/company on Facebook, Twitter, Instagram or Snapchat is a free and efficient way to generate buzz and community support. Get started with a Facebook page at [facebook.com/pages/create.php](https://facebook.com/pages/create.php), a Twitter feed at [twitter.com](https://twitter.com), an Instagram account by downloading the free app or a Snapchat account by downloading the free app. Remember to update these pages regularly. Keep in mind, that, on these sites, you may only speak on behalf of your company or product, not the Minnesota State Fair. Also remember that commercial space regulations prohibit you from offering discounts or coupons via social media. Consider “liking” or adding the Minnesota State Fair’s Facebook page to your Facebook favorites. On Twitter, you can follow the fair at [@mnstatefair](https://twitter.com/mnstatefair). On Instagram, you can follow us at [@mnstatefair](https://www.instagram.com/mnstatefair). On Snapchat, our user name is [mnstatefair](https://www.snapchat.com/add/mnstatefair).

## **F. Keep Us Updated**

Please keep us up-to-date with current contact information using the included Marketing & Media Relations Information Form. We may use this information to contact you for potential media coverage. Fill out the information as soon as possible and email it to [media@mnstatefair.org](mailto:media@mnstatefair.org) or mail Attn: Marketing & Communications Department, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108.

## **G. Keep In Mind**

- The marketing & communications department cannot guarantee media coverage of any product, business, exhibit or attraction.
- The concessions & exhibits department makes the decision on what products are considered and billed as “new.” If you have questions about whether your product(s) are “new” for the year, please call (651) 288-4456.
- Never speculate or repeat rumors. In order to prevent this from happening, if representatives of the media question you about anything other than your product or business, direct them to the marketing & communications department immediately at (651) 288-4321.
- As a vendor/exhibitor, you may only speak on behalf of your business, attraction or exhibit. You may NOT speak on behalf of the Minnesota State Fair.
- Unapproved promotional materials may not be distributed on the fairgrounds during the State Fair. The concessions & exhibits department may be reached at (651) 288-4456 for approval prior to the start of the fair.
