Qualifying farms will receive

1. One personalized certificate of recognition, signed by the Governor of Minnesota, the President of Minnesota Farm Bureau, the President of the board of the Minnesota State Fair.
2. One metal sign, measuring 6 inches by 17.5 inches, proclaiming the farm is a "Century Farm".

Recognition ceremonies are handled by the local county fair; where this milestone may be celebrated with friends, family and neighbors. Certificates and signs will be sent to the representative at the county fair responsible for administering the Century Farm Program for the county fair.

# Minnesota Century Farm Recognition Program

If your county fair does not have a ceremony, your certificate and sign will be sent directly to you in June. Only one sign and certificate will be awarded per farm.

While the Minnesota State Fair does not conduct a recognition ceremony during the Minnesota State Fair, we encourage those who have been awarded a Century Farm this year to visit the Minnesota Farm Bureau booth where your application may be viewed and you may request a special commemorative Century Farm rosette.

The Century Farm status is only conferred on a farm one time. New owners from the same “family” after a farm has already been designated a Century Farm, may not reapply or request a new certificate.

The Minnesota State Fair and the Minnesota Farm Bureau thank you for your interest in the Century Farm program.

## Sesquicentennial Farm Program

In addition to the co-sponsoring of the Century Farm Program, the Minnesota Farm Bureau honors Minnesota families who have owned their farms for at least 150 years, are at least 50 acres in size and are currently involved in agricultural production.
