

## CAMPGROUND GENERAL INFORMATION

**2021 Fair Dates: Aug. 26–Sept. 6 | Campground Open: Aug. 20–Sept. 9**

The Minnesota State Fair Campground operates under a reservation system. A reservation must be completed and confirmed prior to arrival. No person under 18 years of age may register for or occupy a space unless accompanied by a parent or guardian. Pets are not allowed.

### ■ Fees

Daily camping rates are determined by the width of campsite required:

- \$30 for standard
- \$35 for non-slide units wider than 8 feet
- \$45 for slide-out campers.
- \$15 per day for pulled and extra vehicles
- Pulling vehicles are free of charge

### ■ Campsite Assignment

Sites are assigned to comply with Health Department regulations. All parking of campers is done under the direction of campground personnel. A 7-foot separation must be maintained between units. We are unable to accommodate slide-out campers wider than our 14' site dimensions allow. Misrepresentation of camper width will result in the loss of campsite. Pulling and extra vehicles will not fit on most sites. They are parked in the Camel Lot.

### ■ Services

All sites have guaranteed 20 amp service. There are three shared dump stations, temporary water hookups, restrooms, showers and coin-operated laundry. Campers must use 12/3 electrical cords between their camper and fair outlet boxes.

### ■ Fair Entry

Campground fees do not include admission to the fair. Tickets may be purchased at the admission gate leading from the campground onto the fairgrounds.

### ■ Campground Rules

- All campsites must be kept clean and free of trash.
- Extended awnings are not permitted.
- Quiet hours are from 11 p.m. to 6 a.m.
- Riding skateboards, motorcycles or bicycles is not permitted.
- Private hookup to water is not allowed.
- Open campfires are not permitted; grilling is permitted.
- Wastewater and garbage must be disposed of in provided containers. Throwing fluids on the ground is strictly forbidden.
- Generator use is not permitted.
- We do not allow pets.
