

# **2018 Minnesota State Fair FFA Landscape Design and Construction Competition**

## **THEME - GARDEN FOR POLLINATORS**

Incorporates any plant material that will tolerate and/or thrive in an area with sun or shade. Flowering annuals and perennials, as well as trees and shrubs easily fit in this garden.

## **ENTRIES**

1. Entries close July 9. No deposit. Entry must be made in the name of the chapter actually in charge of the exhibit; please indicate which plot preferred, allocation of plots are first entered first received (see map page 4).
2. Exhibitors from the 2017 Minnesota State Fair will have priority reserving the same space for this Minnesota State Fair, if they return their entry form by the entry closing date.
3. Exhibits will be confirmed by the receipt of the entry on a first come, first served basis, until all spaces have been awarded. If more schools wish to participate and remit requests than space allows, a waiting list will be established.
4. Limit of one entry per chapter. However, chapters willing to enter a second display should indicate this on the entry form. If spaces are not filled by the entry closing date, these chapters will be notified to enable them to make a second entry. Second entries will be accepted in the order in which they are received until all spaces are filled.
5. Space provided outside the Miracle of Birth Center, sites approximately 14' x 14'.

## **CONSTRUCTION**

Exhibits may be placed beginning June 1; by appointment so as not to conflict with off-season event scheduling. All exhibits must be in place by 12:01 a.m. Thursday, Aug. 23; judging will commence at 8 a.m., Thursday. Chapters may not have representatives in the display area during judging.

Props may be removed beginning at 5 p.m. Monday, Sept. 3 (Labor Day). If you wish to store your materials, arrangements for storage must be made through the MOBC superintendent.

Access to electric service will be provided by the fair, illumination provided by exhibitor. For safety reasons, all electrical wiring and devices, as well as any other item used which may possess some hazardous feature, must meet minimum electrical code and fire safety requirements. Commercial garden lights, or any other type of light bulb, may be used in the display. Fire hazards and potentially hazardous electrical devices or layouts must be avoided. Electrical devices will be turned off at the close of each day, and turned on each morning before the MOBC exhibit opens.

In the interest of maintaining an esthetically pleasing area for others, we request the site be left in a condition that is neat and tidy.

## **MAINTENANCE**

A responsible adult will be employed to water the plant materials in your entry. Your watering instructions will be communicated to the assistant hired by the State Fair. Exhibits cannot be watered during open viewing times, i.e. watering must be conducted prior to 8 a.m. or after 9 p.m. Exhibitors are responsible for the maintenance of the display, including plant materials and any mechanical device, lighting, etc. Plants may either be planted directly in the plot, or may be kept in their original containers (which must contain soil medium). During the fair, FFA will manage the maintenance, during non-fair times, State Fair Staff will water the display. Watering instructions must be provided.

## **LABELING**

All plant material must be properly labeled showing both the common and botanical names, State Fair will provide plant markers (for consistency). Use plants which are recommended for Minnesota. Chapters will be permitted to list on a sign (no larger than 5" x 8") the names of firms and organizations who have contributed to the display. No addresses or phone numbers will be permitted. State Fair will provide plant label stakes; when entering please indicate number required. Please return the label stakes at the end of the fair.

Use a sign displaying the theme. This will be included in judging for the label category.

## **SCORE CARD**

Design .....	45%
Correct and clear label.....	20%
Landscape construction .....	15%
Specimen quality.....	10%
Accessories/lighting.....	10%

## **PREMIUMS**

Displays will be scored and placed in Blue, Red, and White Ribbon groups.

Each Blue Ribbon Display.....	\$300
Each Red Ribbon Display.....	\$200
