Supreme Champion & Signature Division

Supreme Champion & Signature Division Rules

1. Minnesota State Fair and Supreme Champion classes are open to horses and ponies, regardless of breed or type; these classes are not sanctioned by any breed organization but are governed by general rules. It is expected that exhibitors will show their horses to the standards established within their respective breed associations. Judges will penalize entries for incomplete or inappropriate appointments and equipment, but not necessarily disqualify the entry. A three judge total-point system will be employed in performance classes whereby each placing will have a point value assigned to it. Scores earned by each horse from all judges will be added together to give a total score; each judge will judge independently. Judge's will have designated numbers, One, Two Three. Judge One will call the gaits during the class and in the event of a tie on total score, Judge One's card will be used to solve the tie. Any disputes are settled by the Horse Show Committee whose decision will be final and not subject to appeal.
