Vegetable & Potato Rules.

1. **Eligibility.** Entries are limited to residents of Minnesota.
   A. **Vegetable divisions.** Open to amateur gardeners only.
      1. Amateur gardeners are persons who, as determined by the department superintendent, grow horticultural products for pleasure and personal use, possibly sell small quantities and who are in no way, directly or indirectly, currently connected with the production or handling of horticultural products commercially.
      2. Those persons whose principal business is growing or selling horticultural products may not show in any vegetable division.

2. **Entries.** Entry deadline Monday, Aug. 17, 2020, 4:30 p.m.
   A. **Vegetable divisions.**
      1. Only one entry per class per exhibitor.
      2. Only one member from any household or family may make entry in any class.
      3. If there is a specific variety class, that vegetable cannot be entered in any other class.

3. **All exhibits.** There will be no sale of potatoes or vegetables at the close of the fair.
   A. **Delivery of exhibits by mail.** Express shipments should be prepaid and addressed to: Superintendent Vegetable and Potato Division, Minnesota State Fair, 1265 Snelling Avenue North, St. Paul, MN 55108. Must be clearly labeled with name of owner-exhibitor and variety.
   B. **Delivery of exhibits during the 12 days of the fair.** Exhibitors delivering items for competition during the fair will be sent parking credentials and instructions for the delivery procedure.
      1. **Exhibitors are responsible for providing their own ticket of admission to the fair.**
   C. **Staging.** All exhibits must be staged by 9 a.m. on the dates specified in each division.
      1. Exhibits will be staged under the direction of the superintendent.
      2. No exhibitor shall change or alter his or her exhibit after the hour designated for the exhibit to be in place, until after judging.
   D. **Removal of exhibits.** For food safety reasons, all potatoes, vegetables, and Home Garden Collections will be disposed of in a compost recycling bin.
      1. **Exceptions.** Must be picked up by between the hours of 8-9 p.m. Labor Day, unless prior written arrangements have been made with the superintendent.
         a. Largest vegetables.
         b. Decorated pumpkins and squash.
         c. Braided onions, garlic, peppers.
         d. Container gardens.

4. **Potato exhibits.** Exhibits must be this year's crop, and grown in Minnesota by the exhibitor.
   A. Potatoes should be fresh, and not previously shown at local fairs or shows.
   B. Tubers should be clean and attractive, uniform in size and shape, free from blemishes and diseases, and true to variety name.
   C. Diseased potatoes will be disqualified.
   D. Any exhibit with a variety mixture will be disqualified.
   E. **Labeling.** Each variety must be correctly labeled with variety name.
      1. Potatoes entered in any other white/red/russet must be labeled with variety name.
      2. Labels and pins of a uniform size for this purpose will be furnished by this department and must be used by the exhibitor.
   F. Premiums will not be awarded to inferior collections or specimens, even if there is no competition.

5. **Vegetable exhibits.** Exhibits must be this year's crop, and grown in Minnesota by the exhibitor.
   A. Use no oil or spray to enhance the appearance.
B. **Labeling.** Every sample (not specimen) must be labeled with variety name.

1. Labels and pins of a uniform size for this purpose will be furnished by this department and must be used by the exhibitor.

Class Listing for Vegetable Crops Group 1

Vegetables Group 1

500 Beans, green, filet type
6 1/2 inches or less in length. 25 pods.

501 Beans, green
25 pods.

502 Beans, wax
25 pods.

503 Beans, lima
25 pods.

504 Beans, purple
25 pods.

505 Beans, shell, fresh
In pods. 25 pods.

506 Beans, shell, dry
In pods. 25 pods.

507 Beans, Romano
25 pods.

508 Beets
One variety, 4 inches or less, tops trimmed to 1-2 inches. Six specimens.

509 Carrots, large
One variety, over 4 1/2 inches, tops trimmed to 1-2 inches. Six specimens.
510 Carrots, small
   One variety, 4 1/2 inches or less, tops trimmed to 1-2 inches. Six specimens.

511 Eggplant
   Any variety. Three specimens.

512 Ground cherries
   In husks. 25 specimens.

513 Gourds
   Eight different specimens.

514 Leeks
   With tops. Six specimens.

515 Muskmelon
   Oval or round. Three specimens.

516 Summer squash, zucchini type, green
   Six specimens.

517 Summer squash, zucchini type, yellow
   Six specimens.

518 Summer squash, bush scallop type
   5 inches maximum diameter. Six specimens.

519 Summer squash, straightneck, golden
   Six specimens.

520 Summer squash, crookneck, golden
   Six specimens.

521 Winter squash, Green Hubbard
   Three specimens.

522 Winter squash, Blue Hubbard
   Three specimens.

523 Winter squash, Golden Hubbard
   Three specimens.

524 Winter squash, Buttercup
   Three specimens.

525 Winter squash, Turban
   Three specimens.

526 Winter squash, Butternut
   Three specimens.

527 Winter squash, Acorn type
   Three specimens.

528 Winter squash, Banana
   Three specimens.

529 Winter squash, Spaghetti
   Three specimens.

530 Winter squash, any other named variety
   Three specimens.

531 Tomatoes, large, red
   2 3/4 inches in diameter or larger, stems off. Six specimens.

532 Tomatoes, small round, red
   1 1/2 to 2 1/4 inches in diameter, stems off. 12 specimens.

533 Tomatoes, large round, yellow
   One variety. 2 inches in diameter or larger, stems off. Six specimens.

534 Tomatoes, paste
   Stems off. Six specimens.

535 Tomatoes, small pear, red or yellow
   Stems off. 25 specimens.

536 Tomatoes, grape
   Stems off. 25 specimens.
2020 Minnesota State Fair - August 27 through Labor Day

Vegetable & Potato Rules and Premiums

537 Tomatoes, cherry
    1 1/4 inches in diameter or smaller, stems off. 25 specimens.

538 Tomatoes, plum, red or yellow
    Stems off. 25 specimens.

539 Tomatoes, large heirloom type
    2 1/2 inches in diameter or larger, stems off. Open pollinated. Six specimens.

540 Tomatoes, small heirloom type
    2 1/4 inches in diameter or smaller, stems off. Open pollinated. Six specimens.

541 Tomatillo
    Husks on and open. 12 specimens.

542 Pumpkins, small pie type
    Three specimens.

543 Pumpkins, large field type
    Three specimens.

544 Pumpkins, miniature, orange
    4 inches in diameter or smaller. Six specimens.

545 Pumpkins, miniature, any other color
    4 inches in diameter or smaller. Six specimens.

546 Sweet corn
    Fresh with husks. Six ears.

Largest Vegetable or Potato

920 Largest pumpkin (c. pepo)
    Determined by weight.

921 Largest squash (other than banana or scalloped)
    Determined by weight.

922 Largest banana squash
    Determined by weight.

923 Largest scalloped squash
    Circumference measurement. In the event of a tie, the heavier specimen will be the winner.

924 Largest tomato, single bloom
    Determined by weight.

925 Largest tomato, mega bloom
    Determined by weight.

926 Largest watermelon
    Determined by weight.

927 Largest zucchini
    Determined by weight.

928 Largest cabbage
    Determined by weight.

929 Longest green bean
    Measured by a straight line from the stem to blossom end. In the event of a tie, the heavier specimen will be the winner.

930 Largest potato
    Determined by weight.

931 Largest sunflower head
    Circumference measurement. In the event of a tie, the heavier specimen will be the winner.

932 Largest gourd
    Circumference measurement. In the event of a tie, the heavier specimen will be the winner.

933 Largest kohlrabi
    Determined by weight.

934 Largest cucumber
    Determined by weight.

935 Largest rutabaga
    Determined by weight.
2020 Minnesota State Fair - August 27 through Labor Day

Vegetable & Potato Rules and Premiums

936 Largest turnip
   Determined by weight.

937 Largest table or garden beet
   Determined by weight. NO SUGARBEETS.

938 Largest bell pepper
   Circumference measurement. In the event of a tie, the heavier specimen will be the winner.

939 Largest onion
   Determined by weight.

940 Largest carrot
   Determined by weight.

941 Longest carrot
   Measured from the crown to the end of the dominant central root. In the event of a tie, the heavier specimen will be the winner.

Giant Pumpkin Contest

960 Largest pumpkin, adult entry
   Ages 17 years and older. Determined by weight. Must be delivered on Aug. 26, 2020 between 3-7 p.m.

961 Largest pumpkin, youth entry
   Age 16 years and younger. Determined by weight. Must be delivered on Aug. 26, 2020 between 3-7 p.m.

Braided Garlic, Onion Ropes & Pepper Ristra

970 Braided garlic rope
   Rope should be suitable for hanging; must be braided with tops of bulbs. Cord, twine, or string may be used to finish the rope off for hanging purposes only. Minimum 18 inches long.

971 Braided onion rope
   Rope should be suitable for hanging; must be braided with tops of bulbs. Cord, twine, or string may be used to finish the rope off for hanging purposes only. Minimum 18 inches long.

972 Pepper ristra
   Peppers strung together from this year's crop, drying for future use. Minimum 18 inches long or wreath with 18 inches circumference.

Decorative Pumpkins & Squash

980 Scarred pumpkin or winter squash
   Scarring is healed-over cuts made on a growing pumpkin or squash in the field. No carving, painting, or other decorations permitted.

981 Decorated pumpkins or summer or winter squash, adult entry
   Ages 17 years and older. At least two of the following three techniques must be used: carving, painting, or other decorative measures. No other restrictions.

982 Decorated pumpkins or summer or winter squash, youth entry
   Ages 16 years and younger. At least two of the following three techniques must be used: carving, painting, or other decorative measures. No other restrictions.

Container Gardens

995 Herb Garden
   Five or more different types of growing kitchen or culinary herbs in a suitable container. Must not include multiples of same type, must be properly labeled. Container no larger than 24 inches high and 14 inches in diameter, or 6 inches wide and 36 inches long. Judged Sunday, Aug. 30, 2020.

996 Tomato Garden

997 Pepper Garden

998 Eggplant Garden

999 Okra Garden
Division 144: Vegetable Crops Group 2

600 Cabbage, flat, green
Any variety, with 3-4 wrapped leaves. Three specimens.

601 Cabbage, round, green
Any variety, with 3-4 wrapped leaves. Three specimens.

602 Cabbage, pointed, green
Any variety, with 3-4 wrapped leaves. Three specimens.

603 Cabbage, red
Any variety, with 3-4 wrapped leaves. Three specimens.

604 Cabbage, Savoy
Any variety, with 3-4 wrapped leaves. Three specimens.

605 Cabbage, Chinese
Any variety, with 3-4 wrapped leaves. Three specimens.

606 Cauliflower
Three specimens.

607 Cucumbers, slicing
6 inches or longer. Six specimens.

608 Cucumbers, large pickling
4 to 5 inches long. 12 specimens.

609 Cucumbers, small pickling
2 to 3 inches long. 12 specimens.

610 Cucumbers, English type
10 inches or longer. Six specimens.

611 Cucumbers, lemon type
Six specimens.

612 Cucumbers, any other type
Six specimens.

613 Garlic
Cured, trimmed 1-2 inches. Six specimens.

614 Kohlrabi, green
Tops trimmed 1-2 inches. Six specimens.

615 Kohlrabi, purple
Tops trimmed 1-2 inches. Six specimens.

616 Onions, globe, red
Cured, 1-2 inch stem. Six specimens.

617 Onions, globe, white
Cured, 1-2 inch stem. Six specimens.
618 Onions, globe, yellow
Cured, 1-2 inch stem. Six specimens.

619 Onions, flat, red
Cured, 1-2 inch stem. Six specimens.

620 Onions, flat, white
Cured, 1-2 inch stem. Six specimens.

621 Onions, flat, yellow
Cured, 1-2 inch stem. Six specimens.

622 Onions, small pickling
Any type or variety. Cured, 1-2 inch stem. 25 specimens.

623 Peppers, large sweet, bell type, green
Six specimens.

624 Peppers, large sweet, bell type, any other color
Six specimens.

625 Peppers, poblano
Six specimens.

626 Peppers, sweet, Cubanelle type
Six specimens.
