To encourage delving deep into your family's culinary history, please submit family recipes at least 50 years old. We look forward to learning about and tasting your treasured foods.

Greater Midwest Foodways Alliance is dedicated to exploring, celebrating and preserving unique food traditions and their cultural contexts in the American Midwest. By hosting public events, developing archival resources and generating publications, the Alliance celebrates the distinctiveness of a region that is as varied in tastes and traditions as it is in its geography from the Great Lakes to the Great Plains. Exploring indigenous foods like Wisconsin cranberries and Minnesota walleye, celebrating iconic flavors like the wheat and corn from across the prairies, chronicling cuisine from Native American to early European immigrants to 21st-century newcomers, or highlighting fish boils in small towns and fine dining in big cities, the Alliance promotes and chronicles the diversity of the region's culinary character.
