A fee of $50 per head in addition to the regular entry fee will be charged where "For Sale" signs are displayed. No animal will be stalled in barns unless entered and shown or by paying a $125 non showing horse fee.

21. **AISLES.** No aisles or alleyways may be "blocked off" in any manner except when horses are being prepared for the show ring. Public will need to get down the aisles. Aisles should be open a minimum of 10 feet. Signs will be provided and available at the barn manager's office for those needing to close aisles. All others should remain open.

23. **NUMBERS.** The fair's entry number must be visible and worn on the rider's or driver's back if the horse is lead or ridden, or attached to both sides of the saddle, and upon the back of the carriage if driven.

24. **COURTESY to JUDGES and OFFICIALS.**
   A. No person other than the officials and attendants on duty in the ring and the judges of the class being shown will be admitted to the show ring.
   B. Any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider or driver will disqualify the horse for adjudication, and the owner shall forfeit his nominating and other fees. The management reserves to itself the power to remove any groom or horse from the show without being liable for compensation.

25. **FIRE SAFETY and ELECTRICAL REQUIREMENTS.** The State Fair is working with the State Fire Marshal and the Fair's own life safety staff to ensure an incident free exposition. Your expected cooperation in complying with these requirements is appreciated. They will be enforced on a 24-hour basis; please plan accordingly.
   A. Smoking and any other open flame is prohibited.
   B. Ignition sources such as frying pans, coffee pots, hot plate, toasters, toaster ovens and warming trays are prohibited.
   C. Tops of stalls may not be covered.
   D. Decorative material must be rendered and maintained flame retardant in accordance with the state fire code; documentation is required.
   E. All extension cords must be at least 12 gauge or large type G, PE, S, SE, SEO, SEO, SC, SCE, SCT, SO, SOO, ST, STO, STOO, W or other types identified for extra hard usage and must be of the grounding type. Extension cord must also be three-wire flexible.
      1. No lightweight (2 wire) extension cords or "zip" cords (18 gauge or smaller) may be used anywhere on the State Fairgrounds. Octopus plugs and two-wire extension cords often create a fire hazard and will be removed if found in use during an event. Cables with a "J" in the type designation (such as Type SJT) are not permitted.

26. **PROTESTS.** Protest fee is $200 for a USEF member or parent of a junior exhibitor for all classes sanctioned by USEF ($300 for non-USEF members). For all other classes the protest fee is $100. All protests and questions not covered by these rules shall be decided and interpreted by the show committee whose decision shall be final. Disputes should be presented to the show management prior to filing a formal protest under the provisions of USEF rules and regulations. A protest must be signed by the protestor, accompanied by a deposit of $200 and received by the show secretary within 48 hours of the alleged violation. Please be aware that a protest can also be filed with the Federation hearing Committee up to 10 days after your competition. A protest can also be filed with the Federation Hearing Committee as outlined in GR Chapter 6 or bylaws.

27. **SHARPS DISPOSAL.** Sharps containers will be provided in all barns for the disposal of needles and other disposable sharp instruments. ALL items of this nature MUST be disposed of in the provided containers. NO SHARPS are to be disposed of in any receptacle other than the provided sharps container. Any individual or entity not in compliance will be subject to a $100 fine per USEF.
28. **HEALTH REQUIREMENTS.** Proof of negative coggins required for all horses within 12 months. This is a state law. Proof of flu/Rhino vaccination within 6 months must be presented per USEF. These must be presented before numbers will be given out. Vaccination Requirements (per the USEF GR-845 Equine Vaccination Rule [CHAPTER 8F Welfare of the Horse] Rules Changes Effective 12/1/15)

   A. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccination within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers’ or veterinarian’s recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

   B. In the case of a horse that is unable to receive either of the vaccinations due to history of adverse reactions, the exhibitor, upon request from competition management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the competition management, steward, or technical delegate when requested.

   C. Horses known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd may not be entered in an exhibition. Warts and ringworm are considered communicable diseases. Therefore, horses affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.

   D. All horses will be inspected by the official veterinarian on the opening date of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any horses with symptoms of infectious or communicable disease. They may not enter a show ring. This includes horses with warts or ringworm.

   E. Horses not originating in Minnesota: Horses must meet the Minnesota Importation requirements in addition to the above requirements. Health certificates must list the Minnesota State Fair as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition.

   F. VETERINARIAN SERVICES. The State Fair has a veterinarian on duty 24 hours a day. Phone number (651) 642-2340. All services should be paid for in cash upon completion.

29. **HELMETS.**

   A. It is compulsory for all persons at Federation Licensed Hunter, Humper or Hunter/Jumper competitions, when mounted anywhere on the Competition ground to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their head hear while accepting their flowers and designation for the battle of honor. It is the responsibility of the rider or the parent or guardian of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. See USEF GR 801.

   B. Except as may otherwise be mandated by local law, all juniors riding in Hunter, Jumper and Hunter Seat Equitation sections, and all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag.

   C. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition.
D. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries. See USEF rules GR 801.

30. **NO GOLF CARTS PERMITTED ON FAIRGROUNDS FOR DURATION OF STATE FAIR HORSE SHOWS.**

31. **GOLF CARTS and MOTORIZED VEHICLES.** USEF Rule GR1301 Minors who do not have a valid driver’s license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver’s license. The parent/legal guardian, or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. No golf carts/cars of any type will be permitted within the barn area, except official State Fair carts. Others will be impounded at owners’ expense.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver’s license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed “unsafe use” if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties.
