

MINNESOTA STATE FAIR

Aug. 25-Sept. 5, 2022

Farm Crops

Superintendent..... Ron Kelsey, Lamberton, MN

Board Member..... Gordy Toenges, Alden, MN

Farm Crops Rules.

1. Eligibility.

- A. **All exhibitors.** Limited to residents of Minnesota. All exhibits must have been produced within the state of Minnesota by the exhibitor. Any irregularities in adhering to this ruling will disbar all entries made by the exhibitor.
- B. **Corn exhibitors.** Exhibitors will enter and show only in the zone in which they reside. Amateur and Professional designations will apply. Seed Ear exhibitors may show on a statewide basis and in any maturity zone; with all hybrid seed growers competing together.
- C. **Seed Ear, Old Corn and New Corn exhibitors.** Open only to bona fide hybrid seed corn producers in Minnesota.
 - 1. Producers of certified hybrid seed corn.
 - 2. Hybrid Seed Corn companies.
 - 3. Bona fide contract growers for hybrid seed corn companies who have provided an affidavit from the company being produced for, implying permission by said company to exhibit the contract grown seed ears. Such affidavit shall be presented with the entry form and addressed to: Competition Department, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108.
 - 4. Bona fide individuals (other than the above) shall have an affidavit attested to by either the County Agricultural Agent or the Vo-Ag Instructor who shall determine the authenticity of said production. Either, but not both, contract grower or the hybrid seed corn company, for whom the hybrid seed corn was produced, may exhibit any designated hybrid.

2. Entry dates.

- A. **All crop divisions except New Corn.** Entries close Friday, Aug. 12, 2022 at 4:30 p.m.
- B. **New Corn.** Entries close Thursday, Sept. 1, 2022 at 8 a.m.
- C. **Utility Certified Seed.** Entry forms and analysis sheets for Utility Certified Seed should be sent by July 15 to Ron Kelsey, Superintendent: Farm Crops, Box 6, Lamberton, MN, 56152.

3. Entries.

- A. **All crop exhibitors (except corn).** Only one entry of any one variety and a maximum of five varieties will be permitted in a class by an exhibitor. No more than one sample of any one variety in each class.
- B. **Corn exhibitors.** Corn exhibitors may enter and show up to the number varieties in each of the maturity zones (five in Southern, six in Central and four in Northern). There being three maturity zones, an exhibitor may show a total of 15 different varieties. Only ten ear exhibits will be shown. No more than one sample of any one variety in each class.
 - 1. All corn varieties must be properly entered and shown in the zone designations as registered with the State of Minnesota.
 - 2. The maturity rating of any hybrid shall be that maturity used in the official registration to permit the sale of said hybrid with the State of Minnesota, as required by existing laws. Each exhibit must be entered and shown in the proper zone to be eligible for an award.
 - 3. Corn exhibitor is responsible for entering the hybrid in the proper maturity class but if errors are made the Superintendent and Assistants will change the entry to the proper maturity class, still allowing only five total entries per class.
 - 4. **Divisions 107-111.** Each commercial exhibit must be properly entered and exhibited in the correct zone and the correct maturity date.
 - 5. The exhibitor must name the hybrid and maturity rating on the entry form at the time of making entry. Failure to label as to variety and maturity will disqualify the entry.
- C. **Utility Certified Seed exhibitors.** Maximum of five varieties.

4. Exhibits. All crop exhibits must be labeled with variety. Failure to do so will cause disqualification of the exhibit.

- A. **Open Class and Old Corn.** Exhibits must be delivered by noon, Monday, Aug. 15, 2022. Exhibits not arriving in time for the start of judging will be disqualified.

1. If the exhibitor is unable to be present before the opening of the fair to receive and place the exhibits, they should be addressed to the superintendent and all charges prepaid to the fairgrounds (Superintendent, Farm Crops, c/o Competition, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108). Attach entry tags to all exhibits addressed to the superintendent and they will be placed in the proper class.
 2. When exhibits are sent to the fairgrounds with no entry tag attached, a letter of explanation should be mailed to the superintendent.
 - B. **New Corn.** Exhibits must be delivered prior to 8 a.m., Thursday, Sept. 1, 2022.
 1. Mailed exhibits are to be delivered (prepaid) to: Farm Crops Division, c/o Marie LeFebvre, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN 55108.
 - C. All exhibits must be kept in a neat and presentable condition during the fair, but no exhibitor shall change or alter the exhibit after the time limit designated for exhibit to be in place, until after exhibit has been passed by the judge.
5. **All exhibits shall remain in place until 8 p.m. Labor Day.** Fairgrounds closes at 9 p.m. on Labor Day.
6. **Judging.** Premiums will not be awarded to inferior samples even if there is no competition.
- A. In the event only one exhibit is shown in any one class, the judges may at their discretion, award such an exhibit any placing, 1st, 2nd, 3rd, etc. In the event only one exhibit is shown, there being no other competing exhibit in consideration for a championship award, the judges will not award a championship. At least two exhibits, by two different exhibitors, must be shown and competing for a championship. This applies in all classes in this department.
 - B. No exhibitor will in any way be permitted to assist with judging, nor shall any exhibitor attempt to influence the decision of the judges. Any person who violates any of the following or special rules will forfeit all privileges and premiums and be subject to such penalties as the governing board may order.
 - C. The State Fair reserves the right to submit any exhibit to a germination test. Except for forage seeds, a test of under 80% is not eligible for a premium. For forage seed tests a minimum of 65% is qualifying.
7. **Exhibit return.**
- A. **Sheaves of Grain.**
 1. **Labor Day, between 8-9 p.m.** For those exhibitors who are already on the fairgrounds.
 2. **Wednesday, Sept. 7, between 4-6 p.m.**
 3. **Thursday, Sept. 8, between 8-11:30 a.m.**
 - B. **Crop samples.** No samples will be returned unless requested in writing to the Superintendent, at time of making entry. All Utility Certified Seed samples and any samples not requested to be saved will be dumped at the end of the fair, under the supervision of the management.
8. **Corn exhibits.**
- A. All seed ear exhibits shall be properly identified with the same designation as used in the sale of such hybrid. Failure to comply with this requirement will be grounds for disqualification.
 - B. In the seed ear class only, an exhibitor will be permitted to exhibit any hybrid by the maturity date of that hybrid.
 - C. Each commercial exhibit must be properly entered and exhibited in the correct zone and the correct maturity date.
 - D. The hybrid must have been registered for sale with the State of Minnesota.
 - E. Old corn shall be grown the year just previous to the year for which this premium list is issued.
9. **Corn Zone Classification.**
- A. **Southern Zone.** Counties of Blue Earth, Brown, Cottonwood, Faribault, Fillmore, Freeborn, Houston, Jackson, LeSueur, Martin, Mower, Murray, Nicollet, Nobles, Redwood, Rice, Rock, Sibley, Steele, Waseca, Watonwan, Winona.
 - B. **Central Zone.** Counties of Anoka, Big Stone, Benton, Carver, Chippewa, Chisago, Dakota, Dodge, Douglas, Goodhue, Grant, Hennepin, Isanti, Kandiyohi, Lac Qui Parle, Lincoln, Lyon, McLeod, Meeker, Mille Lacs, Morrison, Olmsted, Ottertail, Pipestone, Pope, Ramsey, Renville, Scott, Sherburne, Stearns, Swift, Todd, Traverse, Wabasha, Washington, Wilkins, Wright, Yellow Medicine.
 - C. **Northern Zone.** Counties of Aitkin, Becker, Beltrami, Carlton, Cass, Clay, Clearwater, Cook, Crow Wing, Itasca, Hubbard, Kanabec, Kittson, Koochiching, Lake of the Woods, Mahnomon, Marshall, Norman, Pennington, Pine, Polk, Red Lake, Roseau, St. Louis, Wadena.

10. **Definitions.**

- A. **Seed Ears - Hybrid Corn.** Ears from hybrid crossing plots, which may be single cross, three-way cross, or double cross. This seed produces the commercial hybrid seed corn.
 - B. **Commercial Ears - Hybrid Corn.** Crop grown from the seed produced in hybrid corn crossing plots, and which is intended for feed.
 - 1. **Single crosses.** Crop grown from the seed produced in hybrid crossing plots involving two inbred lines.
 - 2. **Double crosses.** Crop grown from the seed produced in hybrid crossing plots involving two single crosses.
 - 3. **Three-way crosses.** Crop grown from the seed produced in hybrid crossing plots involving an inbred line and a single cross.
 - C. **Exhibitors.** Exhibitors shall be classified according to the following definitions. An exhibitor will be permitted to exhibit in any one class, either as an Amateur exhibitor or as a Professional exhibitor.
 - 1. **Amateur.** Open to any resident of Minnesota who has not been designated a professional class exhibitor by the Minnesota State Fair management. Exhibitors showing in the Amateur class may not show in any class in the Professional class. An exhibitor who has won a total of 5 or more first place premiums in the Amateur or Professional classes in the last three years, or who has won a Champion Showman award in the last 3 years, will be permanently designated a Professional class exhibitor. This shall apply to all members of a household, partnership, business, or corporation.
 - 2. **Professional.** Open to any resident of Minnesota who has won five or more first place premiums in amateur or professional class competition during the last 3 years. A Professional class exhibitor may not exhibit in any class of the Amateur class. This shall apply to all members of a household, partnership, business, or corporation. Upon becoming a Professional class exhibitor, the exhibitor shall remain in this class unless otherwise informed by the Minnesota State Fair management. These classifications shall apply only to the Commercial Ears classes. In the Seed Ears class, any exhibitor may show provided all requirements as to eligibility as set forth in Class 108, Seed Ears, are met. Open only to residents of Minnesota.
11. **Exhibit labeling.** All entries must be labeled with variety. Failure to label variety will disqualify the entry.
- A. **Corn exhibits.** All corn varieties must be properly entered and shown in the zone designations as registered with the State of Minnesota. The exhibitor must name the hybrid and maturity rating on the entry form at the time of making entry. Failure to label as to variety and maturity will disqualify the entry.
12. The management of the Minnesota State Fair reserves the right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto.

Division 103: Sheaves of Grain

Sheaves of Grain Rules

1. In addition to the division rules, exhibitors and exhibits are bound by the overall Farm Crops Department Rules.
2. One entry per class per exhibitor.
3. Limited to first 20 entries in each class.
4. Sheaves shall be cured and must measure four inches in diameter at the base.
5. **Variety must be labeled.** Failure to label variety will disqualify the entry.
6. Judging will be based on quality of crop and appearance.
 - A. **Preparation of sheaf to include dressing up.**
 1. Colored ribbon may not exceed one inch in width.
 2. Ribbon used in three locations on the sheaf.

Premiums for Sheaves of Grain

Sheaves

\$13 \$11 \$9 \$8 \$7 \$5

Decorative Item

\$7 \$5 \$4 \$3

Class Listing for Sheaves of Grain

Sheaves of Grain

45 Oat sheaf, Barley sheaf, Rye sheaf

46 Wheat sheaf

47 Decorative item

Made of straw, corn husk, or corn stalks.

Division 104: Open Class

Open Class Farm Crops Rules

1. In addition to the division rules, exhibitors and exhibits are bound by the overall Farm Crops Department Rules.
2. Exhibits of small grains, flax, soybeans, shelled corn, and forage crop seeds may be from the 2020 or 2021 crop.
 - A. Exhibits must consist of two quarts.
 - B. Exhibits must be labeled with variety name. Failure to label variety will disqualify the exhibit.
3. **Varieties.** Any variety published in the 2021 edition of Minnesota Field Crop Trials, Minnesota Agricultural Experiment Station, University of Minnesota. Available at varietytrials.umn.edu/2021.
 - A. A partial list of eligible varieties is available by contacting the Competition Department.

Premiums for Open Class

Open Class; 1 to 10 entries

\$9 \$8 \$7 \$6 \$5

Open Class; 11 to 25 entries

Open Class; 26 or more entries

\$13 \$12 \$10 \$9 \$9 \$8 \$7 \$7 \$6 \$5 \$5 \$4 \$3 \$3 \$2

Largest Sugar Beet

\$40 \$30 \$20 \$10

Class Listing for Open Class

Open Class

52 Barley

54 Oats

56 Spring wheat

57 Durum wheat

58 Winter wheat

59 Rye

60 Canola

63 Flax

64 Soybeans

Any variety or brand.

67 Sunflowers, oil seed

68 Sunflowers, confectionery

69 Shelled corn, commercial feed

70 Dry edible peas and field peas

71 Dry edible beans, field beans

72 Specialty crops

No ear corn.

Forage & Turf Crop Seeds

74 Forage clovers

75 Timothy

76 Birdsfoot trefoil

77 Kentucky bluegrass

78 Reed canary grass

79 Millet, canary grass, buckwheat

- 80 Other forage grasses
 - 81 Other small seeded legumes
 - 82 Perennial rye grass
-

Champions Open Class

- 152 Champion Oats
Plaque.
 - 153 Champion Wheat/Barley/Rye
Plaque.
 - 154 Champion Corn
Plaque.
 - 155 Champion Soybean/Oil seed Sunflower
Plaque.
 - 156 Champion Forage & Turf Crop Seed
Plaque.
 - 157 Champion Open Seed Crop (classes 68, 70-72)
Plaque.
 - 158 Champion Showman
Awarded to the exhibitor amassing the highest total of points, based on the following: First place 25 points, second place 20 points, third place 15 points, fourth place 10 points, fifth place 5 points, all other places 1 point. In the event of a tie, the most first placings will receive an additional 5 points. No points awarded for classes with only one exhibitor. Plaque.
-

Miscellaneous Contests

- 159 Organic crop
Small grain, flax, soybean, shelled corn, and forage seeds. Open class rules apply.
 - 160 Champion Organic Grain
Ribbon.
-

Miscellaneous Contests

- 161 Tall Corn Contest
Measured from brace roots to top of tassel.
 - 162 Champion Tall Corn
Ribbon.
-

Miscellaneous Contests

- 163 Largest Sugar Beet
Based on weight only. Beets to be free of soil, tops trimmed three inches above the beet.
- SP164 Betaseed of Shakopee, Minn.
Sponsors premiums for class 163, Largest Sugar Beet.

Division 105: Utility Certified Seed

Utility Certified Seed Rules

1. Open to members of the Minnesota Crop Improvement Association who produce certified seed. Only certified and registered seed of recommended and certifiable varieties are eligible.
2. One class per variety of each individual contract grower will be eligible for entry in the certified seed show class. The entry will be made in a joint manner, for example: Byron Farm Seed and Walter Byron, Waseca. The approved plant name would be shown first followed by the contract grower's name, and the address of the approved plant. Awards payments will be made to the contractor.
 - A. Either 2020 or 2021 crop may be shown except as indicated.
3. Exhibits of small grains, flax, soybeans, shelled corn, sunflowers, field peas, and forage crop seeds must represent the following minimum size of seed class in order to be eligible for competition:
 - A. Small grains - 100 bushels
 - B. Flax - 5 bushels
 - C. Soybeans - 50 bushels
 - D. Sunflowers, field peas - 500 pounds
 - E. Grade or hybrid shelled corn - 25 bushels
 - F. Forage legume or grass - 50 pounds
4. Exhibits to consist of four quarts of small grains, soybeans, sunflowers, field peas, hybrid shelled corn; forage, turf and flax seed.
5. Exhibits of small grains, flax, soybeans, shelled corn, sunflowers, field peas, and forage crop seeds must be field and laboratory inspected and passed and will be judged on the basis of M.C.I.A. approved seed laboratory tests.
 - A. Exhibits must be from the 2021 crop only, except as noted.
6. Entry forms and analysis sheets for entries should be sent to Ron Kelsey, Superintendent: Farm Crops, Box 6, Lamberton, MN, 56152; by July 15.
7. Exhibits must arrive by noon, Monday, Aug. 15, 2022. Exhibits not arriving in time for the commencement of judging will be disqualified. May be delivered to the Superintendent Farm Crops, Minnesota State Fair, 1265 Snelling Ave. N., St. Paul, MN, 55108.
8. Certifiable varieties: See Minnesota Crop Improvement Association 2021 Directory.
 - A. Exhibits to consist of one-half peck (four quarts) of small grains, soybeans, sunflowers, field peas, and hybrid shelled corn; four quarts of forage, turf, and flax seed.
9. **Approved Seed Cleaning Plant Contest**
 - A. Entries close 4:30 p.m. Friday, Aug. 12, 2022.
 - B. Exhibits must be delivered by noon, Monday, Aug. 15, 2022.
10. The Minnesota Crop Improvement Association will sponsor the premiums.
11. **Approved Seed Cleaning Plant Contest.** Entries in the Utility Certified Seed Class will be considered for this contest, and the sample submitted will be entered in the name of the grower in the regular competition. The records available at the M.C.I.A. will determine where each entry was cleaned.
 - A. One sample of any one variety, from any one grower, may be submitted by the approved plant.
 - B. **Point system.** 1st place, 25 points; 2nd place, 20 points; 3rd place, 15 points; 4th place, 10 points; 5th place, 5 points; all other placings, 1 point.
 1. In the event of a tie, the plant with the greatest number of first placings, or champions will be awarded an additional 5 points.
 - C. **Awards.** Three district awards; Northwest, Southwest, and Southeast. The approved seed cleaning plants have been notified of their district assignments.

Premiums for Utility Certified Seed

- 217 Traill
- 218 Vital
- 219 Any other certifiable variety
-
- 220 Champion Soybean
Plaque and ribbon to champion.
-

Miscellaneous Grains

- 221 Sunflowers, oil seed
- 222 Sunflowers, confectionery or birdseed
- 223 Dry peas and dry edible beans
Any certifiable variety.
- 224 Millet
Any certifiable variety.
- 225 Flax
Any certifiable variety.
- 226 Shelled hybrid seed corn
M.C.I.A. certified.
- 227 Any other crop
-
- 228 Champion Miscellaneous Grains
Plaque and ribbon to champion.
-

Grasses & Legumes

- 229 Timothy
Any certifiable variety.
- 230 Small seeded legumes
Any certifiable variety.
- 231 Native grass
Any certifiable variety.
- 232 Kentucky bluegrass
Any certifiable variety.
- 233 Tall fescue
Any certifiable variety.
- 234 Other forage or turf grass
Any certifiable variety.

- 235 Perennial ryegrass, class 1
Adagio, Aspire, CT-7, Sox Fan. Perennial ryegrass classes will be divided into groups of 10 for judging purposes.
- 236 Perennial ryegrass, class 2
Red Hawk, Ringles, Sideways, Sun, Thrive. Perennial ryegrass classes will be divided into groups of 10 for judging purposes.
- 237 Perennial ryegrass, class 3
Banfield, Benchmark, Rinovo, Spark Master. Perennial ryegrass classes will be divided into groups of 10 for judging purposes.
- 238 Perennial ryegrass, class 4
Any certifiable variety, not already listed. Perennial ryegrass classes will be divided into groups of 10 for judging purposes.
-
- 239 Champion Grasses & Legumes
Plaque and ribbon to champion.

Any other variety

- 240 Any other variety under new release in 2021
2021 production of certain varieties which were released under contract between seed grower and the Minnesota Crop Improvement Association may be shown if field inspected and passed. Laboratory samples must be received by M.C.I.A. by Aug. 11 for testing.

-
- SP241 Minnesota Crop Improvement Association
Sponsors premiums for Utility Certified Seed division.

Champions Utility Certified Seed

- 242 Best of Show Certified Seed
Plaque.
- 243 Champion Showman Award
Awarded to the exhibitor amassing the highest total of points in utility certified seed, based on the following: First place 25 points, second place 20 points, third place 15 points, fourth place 10 points, fifth place 5 points, all other places 1 point. In the event of a tie, the most first placings will receive an additional 5 points. Plaque.

Approved Seed Cleaning Plant Contest

- 244 Northwest District Champion and Reserve
Awarded jointly by the Minnesota State Fair and the Minnesota Crop Improvement Association (M.C.I.A.). Plaque to champion, ribbon to reserve.
- 245 Southwest District Champion and Reserve
Awarded jointly by the Minnesota State Fair and the Minnesota Crop Improvement Association (M.C.I.A.). Plaque to champion, ribbon to reserve.
- 246 Southeast District Champion and Reserve
Awarded jointly by the Minnesota State Fair and the Minnesota Crop Improvement Association (M.C.I.A.). Plaque to champion, ribbon to reserve.

Division 107: Seed Ears, Old Corn and New Corn

Seed Ears Rules

1. Old corn shall be grown the year just previous to the year for which this premium list is issued.
