

2022 Minnesota State Fair FFA Judging Contests

Friday, Sept. 2 - Compeer Arena Registration begins at 4 p.m.

1. Schools can enter multiple 5-person teams for the General Livestock and Dairy Cattle judging contests. The contests will utilize JudgingCard scantron sheets. Please have your students bring clipboards and pencils. Top 3 individual scores will be used to determine team scores.
2. Register your teams by going to the signup link. We would like to have an idea of the number of teams/individuals for ordering scantron sheets. When registering your teams, please indicate what contest you are interested in helping with. We will need all advisors to assist with leading groups, collecting scantron sheets and supervising students. If you have multiple teams, use the sign-up form to register each team separately.
