

The fine arts department of the Minnesota State Fair presents an annual art exhibition that is the result of a juried competition. Participation is open to all living residents of Minnesota, subject to the conditions and rules outlined in this document. All entries are juried and only the works accepted by the jurors will be displayed in the Fine Arts Center during the State Fair, Aug. 25-Sept. 5, 2022.

Please read the ENTIRE rules and regulations before beginning the submission process.

REGISTRATION IS REQUIRED. Eligible artists must register their work and provide a digital image(s) online via the Minnesota State Fair website: finearts.mnstatefair.org. Registration must be completed online by Monday, July 18, 2022, at 4:30 p.m. All changes to a registered item must be completed by Monday, July 18, 2022, at 4:30 p.m. Prior to the deadline, artists may modify their registration by signing in to their existing account, making their changes and reconfirming the registration prior to the deadline.

AWARDS. Awards will be made in all classes to meritorious entries. Winners will be announced at Preview Night, Tuesday, Aug. 23, in Twin Cities newspapers and on the Minnesota State Fair website. Total amount offered by the fair (all classes inclusive): \$10,000.

JURY PROCESS. Jurors will review submitted digital images to determine which works will be accepted for the 2022 Fine Arts Exhibition at the Minnesota State Fair. All decisions are final. Please take care in photographing your work. The jury will consist of recognized individuals in their respective media. All artists will be notified via email of the decisions of the jurors. PLEASE NOTE: There is one phase of adjudication, and works accepted from the online jury process will be displayed. Award selection will be the only in-person jury portion of the competition.

SUBMISSION PROCESS. Each entrant is required to submit a digital image(s) of their work. Images should be in JPEG format. We recommend the shortest dimension of the submitted image be 1000 pixels. Artists MUST submit at least one (1) digital image of the entry. Only one image is required, but entrants are allowed up to three (3) total images to present the one (1) work. If images of more than one work are submitted the entrant will be disqualified.

For three-dimensional art (generally classes 2, 6, 7) each image may be used to present a different view of the object in space.

For two-dimensional art (generally classes 1, 3, 4, 5, 8) the first image must be a full, frontal view, while the other two may be details of the work.

ELIGIBILITY. Original works by living residents of Minnesota executed since Jan. 1, 2020. Work of students eligible only if executed without the help of the instructor. Work that has been accepted and shown in a previous Minnesota State Fair Fine Arts Exhibition is ineligible. Exhibitors who drop off artwork are required to show a valid Minnesota state ID. If accepted into the fine arts exhibition, you are required to deliver your artwork. You must indicate on your online registration form that you are willing to deliver your piece of art.

NUMBER OF WORKS. One work per artist. Suites, diptychs and works including multiple objects are not accepted unless they are mounted in a single frame or on a common base or substrate.

SIZE. Works exceeding six (6) feet in any direction (including frame) are not accepted. Very heavy objects requiring special handling may be entered subject to approval of the fine arts department.

ENTRY FEE. No entry fee will be charged for participation in this competition.

LIABILITY AND INSURANCE. Insurance will be provided on all accepted entries at the valuation stated on the entry form. Insurance valuation is one-half the amount of the sale price. Coverage will not be in force until an entry is delivered for the exhibition on Aug. 6 or 7. Artwork dropped off early will not be insured until Aug. 6 at 10 a.m. Coverage will cease Wednesday, Sept. 7, 2022, at 7 p.m.

The fair reserves the right to refuse coverage on any exceptionally fragile or overpriced entry. We encourage and suggest that artists insure work privately if they feel the need for such protection or if the valuation is over \$40,000.

PUBLICITY. The Minnesota State Fair reserves the right to photograph any work in the exhibition for educational, catalog, internet or publicity purposes.

SALES. Any accepted work that the exhibitor chooses to list as FOR SALE will be sold, as displayed, through the Minnesota State Fair Foundation at a 20% commission. All accepted entries will remain on exhibit through the duration of the fine arts exhibition. SALE PRICE INCLUDES FRAME.

****Note:** Price your work accordingly – sale price includes the cost of the frame. Changes will not be made after registration closes Monday, July 18, at 4:30 p.m. A social security number or Tax ID is required on the registration form for pieces listed as 'for sale'.

SUBMISSION OF WORK INDICATES ACCEPTANCE OF ALL CONDITIONS AND RULES LISTED

The fair reserves the right to change the classification of an entry if the juror or staff feels it belongs in a different class, or to remove an entry from competition if it is not in compliance with fair rules or conditions. Work requiring more than normal careful handling is not eligible.

DIGITAL PROCESS. As digital technology continues to expand and influence the way many artists work, not simply photographers, acceptance of these entries is expanded to all classes. Please note that this applies to the finished work itself, not the process of entering the submission. For instance, digitally photographing an oil painting for submission does not constitute 'digital process.' However, if an oil painting includes a digitally printed photo as a collage element, that does constitute an element of 'digital process.' During registration, for identification purposes and to insure we are best serving our participants, entrants will be asked to indicate if the submitted work includes digital process and to describe that element.
