An identification number for each horse must be entered on all entry forms for recognized competitions. Only one Horse ID Number will be issued per horse, and must remain with the horse through its career. Anyone knowingly applying for a duplicate Horse ID Number for an individual horse may be subject to disciplinary action. The Federation must be notified of any change of ownership and/or show name of the horse. Owners are requested to notify the Federation of corrections to previously submitted information, e.g. names, addresses, breed registration, pedigree or markings.    A. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccination within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers’ or veterinarian’s recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

   In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by competition management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
B. In the case of a horse that is unable to receive either of the vaccinations due to history of adverse reactions, the exhibitor, upon request from competition management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the competition management, steward, or technical delegate when requested.

C. Horses known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd may not be entered in an exhibition. Warts and ringworm are considered communicable diseases. Therefore, horses affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.

D. All horses will be inspected by the official veterinarian on the opening date of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any horses with symptoms of infectious or communicable disease. They may not enter a show ring. This includes horses with warts or ringworm.

E. Horses not originating in Minnesota: Horses must meet the Minnesota Importation requirements in addition to the above requirements. Health certificates must list the Minnesota State Fair as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition.

F. VETERINARIAN SERVICES. The State Fair has a veterinarian on duty 24 hours a day. Phone number (651) 642-2340. All services should be paid for in cash upon completion.

29. HELMETS.

A. It is compulsory for all persons at Federation Licensed Hunter, Humper or Hunter/Jumper competitions, when mounted anywhere on the Competition ground to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is the responsibility of the rider or the parent or guardian of the junior exhibitor to see to it that the headgear intended for equestrian use, and is properly fitted and in good condition. See USEF GR 801.

B. Except as may otherwise be mandated by local law, all juniors riding in Hunter, Jumper and Hunter Seat Equitation sections, and all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag.

C. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition.

D. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries. See USEF rules GR 801.

30. NO GOLF CARTS PERMITTED ON FAIRGROUNDS FOR DURATION OF STATE FAIR HORSE SHOWS.

Rules

1. Open to any rider. Boots permitted except as noted. Shown at flat walk and running walk.

2. Registration papers are not required.

3. Gaits for Trail Pleasure Classes
   A. **Flat Walk.** The flat walk is a brisk, long-reaching walk that can cover from four to eight miles an hour. This is a four cornered gait with each of the horses feet hitting the ground separately at regular intervals. The horse will glide over the track left by the front foot with his hind foot: right rear over right front, left rear over left front. The action of the back foot slipping over the front track is known as overstride. Overstride is unique to the walking horse breed. The hock should show only forward motion: vertical hock action is highly undesirable. A Tennessee Walking Horse will nod its head in rhythm with the cadence of its feet. This nodding head motion, along with overstride, are two features that are unique to the Tennessee Walking Horse. This distinctive head motion along with overstride are both things the judge should take into consideration when judging a Tennessee Walking Horse.

   B. **Running Walk.** Running walk is the gait for which the walking horse is most noted. This extra-smooth, gliding gait is basically the same as the flat walk with a noticeable difference in the rate of speed between the two gaits. Proper form should never be sacrificed for excessive speed in a good running walk. The breed can travel 10-20 miles per hour at this gait. As the speed is increased the horse over-steps the front track with the back by a distance of six to eighteen inches. The more "stride" the horse has, the better "walker" it is considered to be. It is this motion that gives the rider a feeling of gliding through the air as if propelled by some powerful but smooth-running machine. The running walk is a smooth, easy gait for both horse and rider. A true Tennessee Walking Horse will continue to nod while performing the running walk.

4. Gaits for All Day Pleasure Classes
   A. **Trail Walk.** Trail Walk: is a true walk with a loose rein and no appearance of strain on the part of the horse or rider. The appearance should be that of a pleasure riding horse that is relaxed, content, and manageable.

   B. **Pleasure Gait.** Pleasure Gait: is to be performed at moderate speed and can be a variation of any saddle horse gait with no preference given to any particular gait over another. The gait should be consistent and balanced and should appear easy and comfortable to ride. Excessive speed is not a desired trait. Manners are paramount in this division. Horses should stand quietly and back readily. Positive credit will be given to horses that display such qualities as responsiveness, steadiness, manners, and traveling on a loose rein.

WSCA Rules and Premiums

Trail Pleasure Division: A. The Trail Pleasure horse should be under control and have a natural headset. Horses may be asked to halt at least one time each way of the ring at the Judge’s discretion. The horse should stop and stand quietly on a relaxed rein until asked to continue. The horse must demonstrate perfect manners and an exceptionally smooth, natural gait. The Trail Pleasure horse must give the impression of the ultimate trail horse at all times during the class. The horse should perform on a relaxed rein and be held in one hand (in western, English two hands are allowed) and cannot be changed during the performance. For horses over five years of age, reins must be held in one hand and may not be changed during the performance. Exhibitors 11 years of age and under may use two hands. Romal reins mean an extension of braided material attached to closed reins. This extension should be carried in the free hand with approximately 16 inch spacing between the reining hand and the free hand holding the Romal. The Romal shall not be used forward of the cinch or used to signal or cue the horse in any way. When using the Romal, the hand should be around the reins; a finger between the reins is not permitted. A Trail Pleasure Western horse, five-years-old and under must be reined using two hands if a bosal or ring snaffle is used. The Trail Pleasure horse must stand quietly and back readily in the lineup or be penalized in the final judging. B. The trail pleasure shoe must not exceed that of a lite-shod shoe. Refer to NWHA Rule book, Section 8.3 (C) for shoe requirements. The turnback shall not exceed one inch, and the shoe must not extend more than ¼ inch beyond. Gait to be performed are the Flat Walk and Running Walk.

Entry Fee: $15

Purse: $40 $30 $20 $10

The All Day Pleasure division is open to all gaited breeds and may be ridden English or Western (as determined by the class description), but not a combination of both. Neat attire is required and should include a collared shirt, long pants, and heeled boots. Exhibitors wearing show attire shall not be favored by the judge. If an ADP horse is exhibited in Western tack, the rider may use two hands on the reins, but both hands shall remain on the reins the duration of the class. Braided manes or forelocks are not required. Beginning in 2018, ADP exhibitors are required to have either a NWHA membership or purchase a Temporary Show Card. These classes will allow up to a 3/4” wide by 3/8” thick shoe and will be judged as Pleasure classes. All Day Pleasure classes may be Youth, Amateur, Amateur Owned and trained or Open as determined by show management. Classes are judged on the horse/rider team that exhibits a true, natural, smooth ride that one would want to ride “all day.” Manners, calmness, obedience, and a smooth, consistent gait are paramount in the All Day Pleasure classes. The All Day Pleasure horse must be ridden with a light or relaxed rein contact. The All Day Pleasure class may be a two or three gaited class. As long as shoeing requirements are met, All Day Pleasure horses are allowed to cross-enter into County Pleasure as permitted by show management, however may not cross-enter into Trail Pleasure, Lite Shod, Park Lite Shod or Plantation Pleasure classes at the same show. (Exception: Spotted Saddle horse classes, Racking horse classes and all Versatility, Model, Showmanship and Equitation). Required Gaits of All Day Pleasure Classes: Trail Walk and Pleasure Gait. Halt should be asked at least once during a class
