**Learning to Do, Doing to Learn, Earning to Live, Living to Serve.**

The FFA show at the Minnesota State Fair  
was established in 1947.  
2023 marks the 76<sup>th</sup> anniversary.

## MINNESOTA STATE FAIR LIVESTOCK EXHIBITORS

**\*\*\* IF YOU CHEAT - YOU WILL BE CAUGHT! \*\*\***

The Minnesota State Fair takes very seriously the rules and ethics concerning animal welfare and will penalize exhibitors when rules are broken. Punishable offenses include violation of the rules and ethical code practices described in the Minnesota State Fair Open and FFA Livestock Premium Books including the International Association of Fairs and Exhibitions (IAFE) National Code of Show Ring Ethics. Use of non-approved medications and feed additives, or improper withdrawal periods on approved medications, have resulted in penalties. Artificial enhancements, surgeries or injections that alter or enhance an animal's phenotype are also prohibited.

**Penalties for violations include any or all of the following:**

- Expulsion from entry at any Minnesota State Fair livestock show (including 4-H, open, FFA or MN Beef Expo);
- Suspension from entry for a period of years;
- Surrender of all premiums, awards and/or sale proceeds;
- Reimbursement of all associated costs incurred by the Minnesota State Fair;
- Referral to the NALS&RMA Rules Infraction Database;
- Referral to law enforcement for violations of the U.S.D.A. Meat Inspection Act;
- Notification of code of conduct violation to school authorities;
- Other penalties as determined by the Minnesota State Fair.

It is the exhibitor's responsibility to read and understand all the requirements of the Minnesota State Fair Premium Book. **NO EXCEPTIONS.** Penalties may also be assessed against family members and/or any fitters of the animals of the violating exhibitor. Violators of the U.S.D.A. Meat Inspection Act are subject to significant fines and/or prison sentences if convicted in a court of law.

**Substance Testing:**

Minnesota State Fair conducts tests on all market livestock champions. Additionally, random tests are conducted on various livestock exhibited at the Minnesota State Fair. The tests are conducted by a federally approved laboratory. If a positive initial test is found, a confirmation test is performed to confirm the results. The testing procedures are very sensitive and can identify substances of less than one nanogram. The laboratory can and does test for a wide range of legal and illegal substances.

**No Self Administration of Medicine on Livestock on Fair property:**

While on Minnesota State Fair property, do not administer any medication or calming agents without permission of state fair officials. The state fair veterinarians are here to help when you have a health issue with your livestock. They charge a minimal fee to consult with and/or treat the livestock. Exhibitors are required to use the services of the state fair veterinarians and should not take chances by self-administration of medications of any sort. Leave needles and syringes at home!

**Minimize Risk of Rules Violations:**

- **Know what is in your feed.** Check all labels before use of any product. Certain products approved for one species may not be approved for all species. For example, Beta Agonist products like Optiflex are approved for cattle and Paylean is approved for hogs; however, neither of these products are approved for lambs or goats. Make sure your show feeds and show feed supplements do not contain violation-causing ingredients for your species.
- Follow all withdrawal requirements of any additive to the full extent of the label on the product. Penalties may be assessed on the exhibitor for improper withdrawal.
- Be sure that all family and others assisting with care of your animals are aware of the rules you as an exhibitor are subject to. Remember, you are responsible for what is in the animal and not someone else; the legal responsibility rests on your shoulders.
- Maintaining the integrity and safety of the meat derived from the livestock in competition is the primary reason for the policies and procedures referred to above. We cannot lose sight of the fact that we have a moral and ethical responsibility to produce meat that will be totally safe for the consuming public. **Those who disrespect these responsibilities can and will suffer the consequences.**

## Biosecurity Recommendations for Exhibitors

### At the Fair:

#### Remember to:

- Report health concerns to the official veterinarian.
- Not share equipment with other exhibitors.
- Minimize nose-to-nose contact with other livestock.
- Minimize animal-to-human contact.
- Avoid use of communal water sources.
- Minimize animal stress by keeping them cool and comfortable, and providing food and water from home.
- If you're also caring for animals at home while exhibiting at the fair:
  - Do the chores at home first.
  - Change clothes to care for the animals at home and at the fair.
- Wash your hands with soap and water and dry them well.

### Before Returning Home:

- Clean and disinfect all equipment (tack, buckets, shovels, wheelbarrows).
- Properly dispose of unused bedding, hay, and feed.
- Wash your hands with soap and water and dry them well.

### At Home:

- Shower, blow your nose, and put on clean clothes and shoes.
- Clean and disinfect vehicles and trailers used to transport animals home from the fair.
- Keep returning livestock separate from other animals for up to four weeks.
  - Feed and work with returning animals last.
  - Wear different clothes and boots when working with returning animals.
- Wash your hands with soap and water and dry them well.

### FFA GENERAL RULES AND INFORMATION.

1. The FFA Livestock Show will be held four days, from Friday through Monday, Sept. 1-4, 2023.
  - A. **Non-livestock FFA competitions.**
    1. **FFA Agriculture Technology.** On display in the Agriculture-Horticulture building.
    2. **FFA Crops.** On display in the Agriculture-Horticulture building.
    3. **FFA Vegetable & Potato.** On display in the Agriculture-Horticulture building. Saturday through Monday, Sept. 2-4, 2023.
    4. **FFA Landscape Design & Construction.** Outside the FFA Leadership Center and CHS Miracle of Birth Center.
    5. **FFA Agricultural Interactive Exhibits/Demonstrations.** FFA Leadership Center and Christensen Stage.
    6. **FFA Safe Tractor Operator's Contest.** Friday, Sept. 1, 2023 at Compeer Arena.
    7. **FFA Dairy Cattle and General Livestock Judging Contests.** Friday, Sept. 1, 2023 at Compeer Arena.
2. The Minnesota State Fair will provide sleeping quarters for the FFA exhibitors and advisors as space permits. All students, regardless of age, must be supervised at night. Supervision of FFA exhibitors while they are at the fair is the responsibility of the chapter advisor. An adult, parent, administrator or instructor must accompany the exhibitors.
  - A. **Dorms.** Dorm reservations will be accepted Aug. 1–14, or until dorm space has filled. Requests must be made through the FFA website at mnffa.org. No telephone requests accepted.
    1. For information on dorm space availability, check the FFA website at mnffa.org.
    2. Those requesting space after dormitory space is filled are responsible for obtaining lodging off grounds.
  - B. **Sleeping in the barns -- unless in the dorms -- is not permitted.**
3. **Curfew 11 p.m.** All FFA exhibitors must observe an 11 p.m. curfew.
4. **Code of conduct.** All exhibitors will present a code of conduct statement signed by their parents, advisor and exhibitor.
5. **Prohibited.** The consumption or possession of alcoholic beverages, tobacco, or any controlled substances by FFA exhibitors is prohibited. Violators will forfeit their eligibility to show.
6. It is recommended that the fitting and preparation of livestock be done by the exhibitor and family members. Herdpersons accompanying exhibitors must adhere to the same rules as the FFA members. Failure to do so will result in disqualification of the exhibitor for future shows.
7. All attendants or persons leading or driving an animal into the judging arena must be FFA members, neatly attired and their attire must be kept neat and clean throughout the show.
8. Breed or farm shirts are not permitted in the show ring.
9. The State Fair reserves the right to test any entry for body growth enhancing substances, drugs or medications.
  - A. **Exhibitor Livestock Responsibilities and Consequences form (ELRC).** All livestock exhibitors must complete an Exhibitor Livestock Responsibilities and Consequences form (ELRC). This form must be submitted and RECEIVED by the Competition Office by Monday, Aug. 21, 2023 (the Monday prior to fair opening). Form available on the State Fair website or in each livestock section.
  - B. **If form is NOT received** by the deadline, livestock entries subject to forfeit the right to show.
10. State Fair officials (which may include the official veterinarian and FFA livestock staff) reserve the right to remove any sick animal from exhibit.

11. **Eligibility.** Minnesota high school or post-secondary FFA members who are regularly enrolled in an agricultural education program, or who are active members of a FFA chapter in good standing with the state FFA association. Wisconsin sections 1, 2 and 3 may show in crops and tractor driving only.
  - A. Incoming 9th grade students are eligible to show if enrolled in, or have completed a course in, a grade 9–12 agricultural education program for the current year.
  - B. FFA members enrolled in new or reestablished programs are not eligible to exhibit until the fair following the first academic year of operation, unless previously a member in good standing at another established chapter/school.
  - C. Exhibitors who have not graduated from high school must have been enrolled in at least one agriculture class during the current year, and must be current paid members of the state and national FFA associations.
  - D. This is the last year of eligibility for those who were first eligible to participate in a State Fair FFA show in 2016 and should have graduated high school in 2020.
12. **Substitution.**
  - A. In case of illness, or other extenuating circumstances, another FFA member may show the animal of an FFA exhibitor. The substitute must be approved by the department superintendent.
  - B. Substitution of animals will be permitted outside a class and within the breed division originally entered in all species.
13. **Signs.** Signs in the barns must be no larger than 2' high and 6' long. In the cattle barn, they may not hang in aisle; and must be below wire, above stall boards and treated with a fire retardant.
14. **Pedigrees.** To receive points for the premier exhibitor and specie trophy awards, exhibitors must produce proof of registry the first day of the FFA livestock show.
  - A. Exhibitors must produce pedigrees by the morning of the last day of the FFA livestock show for the breeding shows in order to receive premiums.
    1. Original certificates or official digital copy (.pdf or web version from issuing breed organization) on tablet or phone. Photos of original certificate are NOT acceptable.
      - a. **Poultry and rabbit exhibitors.** Do not need to provide pedigrees, but must be the bona fide owner of the animals.
  - B. It is the responsibility of the exhibitor to make sure the registration certificates are checked by the Competition Department.
  - C. Entries without proof of registration will be recorded on judging sheets as being shown but will be ineligible for premiums.
15. **Awards.**
  - A. **Breeding livestock premier exhibitor.** A permanent traveling trophy will be awarded to the chapter having the highest quality exhibit at the show. The Minnesota State Fair will award a plaque to the overall chapter winner.
    1. To be eligible, an exhibitor must list his/her chapter on their original entry form.
    2. The chapter must have entries in four of five divisions (beef, dairy, swine, sheep and goats) of the FFA Livestock show.
    3. Points computed on exhibits of livestock where the entry was received prior to the closing date and the proof of original registry is presented on the first day of the FFA Livestock show.
      - a. In the event of a tie, the number of champions, first, and second premiums, in that order, will be considered.
    4. All divisions will receive points based on the number of animals in the class.
      - a. In beef, swine, sheep, and goat divisions for example, if there are 15 animals in the class, the first place animal would receive 15 points, second place 14 points, etc.
      - b. In the dairy division, points will be doubled.
      - c. All breeding classes and commercial female classes will be included.
      - d. No points will be awarded in groups.
      - e. **Champions in all divisions will be awarded points on the following basis:** Champions; 10 points each for junior, senior and grand champions. Reserve champions, 5 points each for junior and senior champions.
  - B. **Breeding specie premier exhibitor.** Permanent traveling trophies awarded in beef, dairy, swine, sheep, and goat to the chapter having the highest quality exhibit at the show. The Minnesota Livestock Breeders' Association will award a plaque to the overall chapter winner.

1. Two or more exhibitors per chapter must exhibit to receive this specie award.
  2. Points calculated on the same basis as for breeding livestock premier exhibitor.
  - C. **Market livestock premier exhibitor.** Permanent traveling trophy, awarded to the chapter having the highest quality market livestock exhibit at the show. The Minnesota Livestock Breeders' Association will award a plaque to the overall chapter winner.
    1. Chapter must exhibit in three of four species (beef, swine, sheep and goats).
    2. Points calculated on the same basis as for breeding livestock premier exhibitor.
    3. In carcass classes, all indexed entries, qualified or not, will receive points.
    4. Champion and reserve champion individuals and carcasses will receive 10 and 5 points respectively.
    5. **For Exhibition Only (FEO) class placings** do not count toward market livestock premier award.
  - D. **Market specie premier exhibitor.** Permanent traveling trophies awarded in beef, swine, sheep, and goat to the chapter having the highest quality exhibit at the show. The Minnesota State Fair will award plaques to the chapter winners
    1. Two or more exhibitors per chapter must exhibit to receive this specie award.
    2. Points calculated on the same basis as for market livestock premier exhibitor.
  - E. **Supreme exhibitor.** Permanent traveling trophy, awarded to the chapter having the highest quality overall combined breeding and market livestock exhibit at the show. The Minnesota State Fair will award a plaque to the chapter winner.
    1. Chapter must exhibit in three of five species (beef, dairy, swine, sheep and goats).
    2. Points calculated by adding the chapter's breeding and market points (as calculated in the above rules) together.
  - F. **Supreme specie premier exhibitor.** Permanent traveling trophies awarded in beef, swine, sheep, and goat to the chapter having the highest quality exhibit at the show. The Minnesota State Fair will award plaques to the chapter winner.
    1. Two or more exhibitors per chapter must exhibit to receive this specie award.
    2. Points calculated on the same basis as supreme premier exhibitor.
  - G. **Douglas K. Baldwin Award.** The Minnesota State Fair offers an award in memory of Douglas K. Baldwin, to a Minnesota FFA member based upon length of time participated in the FFA livestock show and with outstanding qualities of leadership, competence, cooperation, courtesy, congeniality, and citizenship. Information on this award may be found on the Minnesota FFA website [mnffa.org](http://mnffa.org). The Minnesota State Fair will award a plaque.
16. **Minnesota State Fair Scholarships.** Available to young adults from greater Minnesota or those enrolled in an agriculture program in 2022-2023.
- A. Applications must be submitted via online application by Aug. 1 at 4:30 p.m. For more information and to apply, visit the Minnesota State Fair website at [mnstatefair.org](http://mnstatefair.org) and search "scholarship".
  - B. A qualified committee will review applications and select the recipients. Scholarship recipients will be notified by telephone of their award by Aug. 14, 2023.
17. The show officials solicit and welcome the advice and input of parents and exhibitors.
18. **IAFE (International Association of Fairs and Expositions) National Code of Show Ring Ethics.** Submission of entry indicates an agreement to abide by all conditions and rules listed below.
- A. Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.
    1. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine examples. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.
  - B. **The following is a list of guidelines for all exhibitors and all livestock in competitive events:**

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.
  - a. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
  - b. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications, for the sole purpose of protecting the health of the animal, shall be administered by a licensed veterinarian. \*The Minnesota State Fair allows exceptions in breeding classes for sound management practices such as mastitis or pneumonia control.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics, or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in, or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of the Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary actions taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and also in violation of federal, state or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
19. **NALS&RMA Rule Infraction Database.** Barred or Disqualified Exhibitors: The Minnesota State Fair, in cooperation with the North American Livestock Show and Rodeo Managers Association (NALS&RAMA), Rule Infraction Database (RID), reserves the right to refuse entry of any exhibitor who has been barred or disqualified from any other show on the basis of unethical practices referred to in the International Association of Fairs and Expositions (IAFE), National Code of Show Ring Ethics.
20. **Protests. Minnesota State Agricultural Society 3.12.** A protest from the decision of a judge will only be accepted from a competitive exhibitor named in the official judge's sheet for competition in the class or category under protest, and must be filed with the secretary within five (5) hours after the award has been made. An award is deemed to have been made when the notation of the decision of the judge is entered into the department award book. All protests must be made in writing and must be accompanied by a deposit of one hundred dollars (\$100). The protest must state plainly and specifically the facts upon which the complaint or appeal is based. The right to appeal will lie only when it is charged that the award has been made in violation of the rules governing the exhibit, or when it is charged that the decision of the judge has been influenced or interfered with by another person. No protest or appeal based upon the statement that the judge or judges are incompetent or have over-looked an animal or article will be considered. The one hundred dollar deposit will be returned only if the protest or appeal is upheld. In protest and appeal instances where rules established by a breed association or other competitive organization with which the Society has an agreement differ from this rule, rules of the association or organization shall govern.
21. **Fire safety and electrical requirements.** The State Fair is working with the State Fire Marshal and the fair's own life safety staff to ensure an incident free exposition, and help keep safe power supplies operable in the barns. Your expected cooperation in complying with these requirements is appreciated; they will be enforced on a 24-hour basis. The state fair staff reserve the right to order excess electrical equipment removed if necessary to protect power supplies, stock and exhibitors.
  - A. **Prohibited.**
    1. **Smoking. Smoking is NOT permitted in the barn at any time.** Designated smoking areas have been established at specified locations throughout the fairgrounds. Smoking (including use of electronic cigarettes) is now permitted only in these areas.
    2. **Open flame.** Strictly prohibited.
    3. **Ignition sources.** Frying pans, coffee pots, hot plates, toasters, toaster ovens, warming trays, etc. are prohibited.
    4. Tents or structures which are covered on the top or sides are not permitted in the barns.
    5. Fuel powered generators and fuel containers are prohibited in the barn and in the livestock parking areas.
  - B. Decorative material must be rendered and maintained flame retardant in accordance with the state fire code; documentation required.
  - C. **Electrical equipment.** All electrical equipment (fans, blowers, extension cords, etc.) is subject to electrical inspection and subject to removal if unsafe and/or does not meet electrical codes.
    1. **Fans.** Any fans used must be suspended at the front of cattle. For purposes of electric conservation and safety, it is asked that fans be kept to a minimum and used only for heat stress prevention.
    2. Extra lighting in exhibit areas will not be allowed.
  - D. **Extension cords.**
    1. All extension cords must be at least 12 gauge or larger Type G, PPE, S, SE, SEO, SEOO, SC, SCE, SCT, SO, SOO, ST, STO, STOO, W or other types identified for extra-hard usage and must be of the grounding type.
    2. Extension cords must also be three-wire flexible.
    3. No lightweight (two-wire) extension cords or "zip" cords (18 gauge or smaller) may be used anywhere on the State Fairgrounds.
    4. Octopus plugs and two-wire extension cords often create a fire hazard and will be removed if found in use during an event.
    5. Cables with a "J" in the type designation (Such as Type SJT) are not permitted.
  - E. **Doors to the Cattle Barn electrical box rooms must be kept clear at all times.**

- F. **Blocking exits, walkways, extinguishers, electrical panels, or other required safety devices is prohibited.**
22. **Vehicles and parking.**
- A. **Livestock exhibitor parking, overnight.**
1. **Limited space; filled by computer generated lottery.**
  2. Complete information available online [mnstatefair.org](http://mnstatefair.org).
- B. **Livestock exhibitor parking, daily.** Ordered with livestock entries.
1. Allocated on first come, first served basis; valid only for dates showing (based on entries).

    2. **Out of family.**
      - a. Allowed in breeding divisions in grade and commercial classes.
      - b. Allowed two breeding animals in registered breed classes.
  - C. **Animals must be shown solely in the name of the same FFA exhibitor, or an immediate family member, for the entire show season.**
4. Sheep exhibitors will be permitted to show two entries in each individual class and one entry in the group class. In group classes, the animals must be shown in individual classes. Animals not checked in with officials within one hour of their breed show will be considered canceled. Limit 16 head per breed.
  - A. **All group classes must be bred and owned by exhibitor.**
    1. Pair of lambs is defined as two lambs from individual lamb classes.
    2. Breeder's flock shall consist of two ewe lambs, one yearling ewe, plus one ram lamb or one yearling ram (four animals total).
    3. Get of sire class to consist of four animals, both sexes included. Sire must be named.
  - C. Sheep association tags or tattoos are required before being exhibited. Clean tags for ease of reading.
  - D. Animals entered and shown in FFA may also enter and show in open and 4-H, provided it is allowed by the rules of the respective open and 4-H shows and entry fees have been paid.
5. Only purebred pedigreed animals may be shown in divisions 38-50. Registered non-purebred may show in the Market Lamb & Commercial Breeding division (ewes only).
6. **Shearing.** All sheep one year and over must have been shorn after Jan. 1 of the current year. Sheep shown in short fleece will be favored.
  - A. All Southdown and Shropshire must be slick shorn within five days of the show.
  - B. Animals in slick shorn classes must be freshly sheared over the entire body, and may not exhibit in any other individual class.
7. Breeds with fewer than 10 head and/or three exhibitors entered as of entry closing date will lose their breed classification and will be shown in the appropriate Division (All Other Wool or Meat Breeds). Breeds must show sufficient numbers for two years in order to qualify for their own breed show.
8. **Stalling.** Sheep will be stalled in the Christensen Pavilion.
9. Classes exceeding 20 head shown will be split into two equal classes, by age, and be paid duplicate premiums.
10. **Showmanship.** Exhibitors may compete in only one showmanship competition per specie and must show their own animals.
  - A. **Divisions.**
    1. **Breeding sheep.**
    2. **Market lambs & Commercial Breeding Ewes.**

  3. Cleanliness of pens and bedding. 15 points.
  4. Cleanliness of alley and areas surrounding stalls. 15 points.
  5. Attitude and cooperation of exhibitors. 10 points.
  6. Conduct of exhibitors and their friends around the exhibition area. 10 points.
12. **Health regulations.** All animals will be inspected by the official veterinarian the opening day of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any animal showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts.
- A. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion at the discretion of the official veterinarian.
1. **Suspected illness.** If illness of any nature is suspected in any animal, the animal is subject to examination by the official veterinarian and owner or exhibitor of the animal must abide by the decision of the official veterinarian.
  2. **Infectious, contagious or communicable disease.** Animals known by the exhibitor to have an infectious, contagious or communicable disease, or to have been exposed to an infectious, contagious or communicable disease, or known to originate from a quarantined flock or herd may not be entered in exhibition.
  3. **Animals with warts or ringworm may not be shown.** A statement from a veterinarian that an animal is being treated for these diseases will not be accepted.
- B. Sheep with warts, ringworm, sore mouth, or caseous lymphadenitis, may not be shown.
- C. Sheep within 30 days of giving birth (before or after) cannot be exhibited without prior written approval from the Minnesota Board of Animal Health.
- D. **Certificate of Veterinary Inspection (CVI).**
1. **Sheep from Minnesota.** Not required.
  2. **Sheep from outside Minnesota.** Required. CVI is valid for 30 days from the date the animals were inspected by an accredited veterinarian.
    - a. Must list the Minnesota State Fair as consignee and will be accepted upon examination of the CVI.
    - b. Must meet the Minnesota importation requirements. See [bah.state.mn.us/imports/](http://bah.state.mn.us/imports/), or call the Minnesota Board of Animal Health at 651-296-2942.
    - c. Must meet the importation requirements of their state of origin if they are returning.
13. **Sheep and Goat Identification (ID).** The goal of these ID requirements is to uniquely identify animals so they may be traced to their source in the event of a disease outbreak. Official identification may not be removed from an animal once it is applied.
- A. **Official identification.** Individuals must be officially identified; the following types are considered official. Must meet the requirements of both state and federal animal identification rules. For pictures of official ear tags and more information about official ID livestock, visit the Minnesota Board of Animal Health Official ID page at [bah.state.mn.us/official-id/](http://bah.state.mn.us/official-id/).
1. **Flock or herd identification (ID) tags.** Includes flock ID number beginning with state abbreviation (maximum nine characters, including state abbreviation), in addition to a unique herd management number (six character maximum). Must display the U.S. shield.
    - a. Available in plastic or metal.
  2. **Serial tags.** Begin with state abbreviation; eight characters total, last 4-5 are numerical. Must display the U.S. shield. May only be applied by accredited veterinarians.
    - a. Available in plastic or metal.
  3. **USDA Animal Identification Number (AIN) visual (840) tags or Radio Frequency Identification Device (RFID).** 15 digit number, beginning with 840. Must display the U.S. shield.
    - a. May be purchased from most ear tag distributors.

4. **State-approved tattoos, registered sheep/goats.** Tattoo must be legible.
  - a. Breed registry tattoos that are recorded with a breed registration; pending registrations are not accepted.

# Division 51: Market Lambs & Commercial Breeding Ewes

## FFA Market Lamb & Commercial Breeding Ewe Rules.

1. Open to purebred, crossbred or grade.
2. Animals must be owned and fed for at least 60 days before date of showing by, and entered in the name of, the feeder and exhibitor. Lambs may be owned in a bona-fide partnership with parent or guardian, such ownership to be certified to by an agriculture instructor.
  - A. **Animals must be shown solely in the name of the same FFA exhibitor, or an immediate family member, for the entire show season.**
3. Lambs shown in the market classes cannot be shown in the breeding classes. Lambs showing evidence of carrying the callipyge gene will be disqualified.
4. **Definitions:**
  - A. **White faced.** No speckled face or other indications of crossbreeding.
  - B. **Speckle faced.** Must have evidence of white on the head. Lambs not meeting the minimum requirements should be entered in the black faced class.
  - C. **Black faced.** No white on head.
5. An exhibitor may enter and show a total of 10 head in this division. This includes up to six market animals in the individual Market Lamb classes (from which you can make one market pen of three); and four individuals in the Commercial Breeding Ewe classes (from which you can make one pair).
  - A. **Individual classes, Market Lambs.** Wethers or ewes, weighing at least 110 lbs.
    1. Maximum of five lambs in classes 1, 6 or 11; but no more than three in any one class.
      - a. Entries in individual classes will be divided into workable groups on the basis of weight, with no more than 20 per weight group.
    2. One carcass lamb, class 17.
      - a. Lambs in class 17 may not be shown in classes 1, 6, or 11, but may be shown in group classes.
      - b. Do not enter carcass placing class (class 19). Entries in class 17 are automatically entered. No additional entry fee required.
      - c. Entries in the carcass class (class 17) will be divided at the scale into white faced and black faced divisions.
      - d. Lambs will be ultrasounded in the carcass class to determine the winners.
      - e. **Placing of the carcass lambs will be based on cutability.** Factors used to determine cutability are backfat thickness, body wall thickness and ribeye area. Minimum ribeye based on hot carcass weight. Backfat thickness, body wall thickness and ribeye area will be measured after the lamb carcass is cut between the 12th and 13th ribs.
  - B. **Pen of three, Market Lambs.**
    1. Consists of animals entered and shown in classes 1, 6, 11 or 17. A pen will consist of three ewes, wethers or both. Lambs shown in the pen of three must be identified at the scale.
    2. Pen classes will be split if there are 10 or more entries in a class.
  - C. **Individual classes, Commercial Breeding Ewes.** Animals must be slick shorn. Judged on suitability as mothers of future market lambs.
    1. Maximum of four entries in classes 22-24 or 26, and no more than two head per class and one pair.
    2. Classes split by weight.
  - D. **Pairs, Commercial Breeding Ewes.** Entries in the Commercial Breeding Ewe pair classes must be from the same class (i.e., a white face pair, a speckle face pair, or black face pair). **NO MIXED PAIRS.**
  - E. **For Exhibition Only (FEO) class.** This is a class for FFA members who do not own livestock, but wish to experience the FFA Livestock show during the State Fair. Or members who own animals but do not meet the requirements outlined in rule 2 and 2A.
    1. **Three FEO animals per FFA exhibitor (two market lambs and one commercial ewe).**
    2. **Animals entered in FEO class may not show in any other class, and cannot be shown additionally by any other exhibitor.** Exception; may show in chapter group.
    3. **Ineligible for Championship drive.**
  - F. **School or chapter group.** 10 or more head from the same school or chapter, shown by three or more exhibitors, maximum of four animals from any single exhibitor.

1. **Must contact Competition office to enter by Aug. 14, 2023.** E-mail [competition@mnstatefair.org](mailto:competition@mnstatefair.org). Subject line "Chapter Group Sheep".
  - a. **Entries in school or chapter group must be made in the name of the chapter, by the FFA advisor by the entry deadline.** Include advisor name, chapter name and address.
2. **Final animal composition of the group not required until show time.** Must be exhibited in the market classes and conform to required weights.
6. Only one showperson will be allowed in the individual lamb classes; three allowed in pen classes. Exhibitor number must be worn while in the showmanship contest.
7. **Class divisions.** Class champions marked with a \* (classes 2, 7, 12) will be established if necessary to facilitate the selection of the individual champions and reserve champions.
8. **Marketing.** All market lambs entered (classes 1, 6, 11, 17) must be sold in accordance with arrangements for the sale made by the State Fair and announced at the time of weighing or showing. Exhibitors wishing to send their commercial breeding ewes (classes 22-24) to market **MUST** inform the Sheep superintendent on Friday.
  - A. Animal identification. Exhibitors who are marketing their animals must complete a COOL (country of origin labeling) affidavit/declaration of origin, available from the Department Superintendent. All market animals must have their origin declared before the animals go to market.
  - B. All blankets must be removed from lambs before they cross the scale.
  - C. All market lamb are to be exhibited shorn.
  - D. Testing will be conducted on the three market lamb champions.
  - E. Load out of market animals is early Monday morning. All exhibitors with market animals must assist with load out. Please be prompt in bringing your animals to the truck.
