 - A. **Special Note:** Any changes made in the current US Equestrian Federation rule book shall automatically become a change and a part of this premium list.

An identification number for each horse must be entered on all entry forms for recognized competitions. Only one Horse ID Number will be issued per horse, and must remain with the horse through its career. Anyone knowingly applying for a duplicate Horse ID Number for an individual horse may be subject to disciplinary action. The Federation must be notified of any change of ownership and/or show name of the horse. Owners are requested to notify the Federation of corrections to previously submitted information, e.g. names, addresses, breed registration, pedigree or markings. <https://www.usef.org/compete/resources-forms/horse-services> and download US Equestrian Horse Application form.
 - C. **FEDERATION FEE.** Every horse participating in classes recognized by the Federation will be assessed a fee of \$23 (\$15 of which is a drugs and medication fee). Exhibitors, owners, trainers, and veterinarians are cautioned against the use of medicinal preparations, tonics, pastes, and substance. The collected funds are used for research, inspection, and enforcement of rules regarding use of medication and drugs. If the USEF elects this show for testing for the above, the exhibitor MUST submit his/her horse for testing as requested. Any questions about the use of certain medications should be directed to the USEF drugs and medications programs: 800-633-2472 or medequestrian@aol.com

In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by competition management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
 - B. In the case of a horse that is unable to receive either of the vaccinations due to history of adverse reactions, the exhibitor, upon request from competition management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the competition management, steward, or technical delegate when requested.

- C. Horses known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd may not be entered in an exhibition. Warts and ringworm are considered communicable diseases. Therefore, horses affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.
- D. All horses will be inspected by the official veterinarian on the opening date of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any horses with symptoms of infectious or communicable disease. They may not enter a show ring. This includes horses with warts or ringworm.
- E. Horses not originating in Minnesota: Horses must meet the Minnesota Importation requirements in addition to the above requirements. Health certificates must list the Minnesota State Fair as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition.
- F. VETERINARIAN SERVICES. The State Fair has a veterinarian on duty 24 hours a day. Phone number (651) 642-2340. All services should be paid for in cash upon completion.

29. **HELMETS.**

- A. It is compulsory for all persons at Federation Licensed Hunter, Humper or Hunter/Jumper competitions, when mounted anywhere on the competition ground to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the national anthem only; they must refasten their headgear prior to the lap of honor. It is the responsibility of the rider or the parent or guardian of the junior exhibitor to see to it that the headgear intended for equestrian use, and is properly fitted and in good condition. See USEF GR 801.
- B. Except as may otherwise be mandated by local law, all juniors riding in Hunter, Jumper and Hunter Seat Equitation sections, and all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag.
- C. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition.
- D. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries. See USEF rules GR 801.

Walking Horse Division

Rules

1. Open to any rider. Boots permitted except as noted. Shown at flat walk and running walk.
2. Registration papers are not required.
3. **Gaits for Trail Pleasure Classes**
 - A. **Flat Walk.** The flat walk is a brisk, long-reaching walk that can cover from four to eight miles an hour. This is a four cornered gait with each of the horses feet hitting the ground separately at regular intervals. The horse will glide over the track left by the front foot with his hind foot: right rear over right front, left rear over left front. The action of the back foot slipping over the front track is known as overstride. Overstride is unique to the walking horse breed. The hock should show only forward motion: vertical hock action is highly undesirable. A Tennessee Walking Horse will nod its head in rhythm with the cadence of its feet. This nodding head motion, along with overstride, are two features that are unique to the Tennessee Walking Horse. This distinctive head motion along with overstride are both things the judge should take into consideration when judging a Tennessee Walking Horse.
 - B. **Running Walk.** Running walk is the gait for which the walking horse is most noted. This extra-smooth, gliding gait is basically the same as the flat walk with a noticeable difference in the rate of speed between the two gaits. Proper form should never be sacrificed for excessive speed in a good running walk. The breed can travel 10-20 miles per hour at this gait. As the speed is increased the horse over-steps the front track with the back by a distance of six to eighteen inches. The more "stride" the horse has, the better "walker" it is considered to be. It is this motion that gives the rider a feeling of gliding through the air as if propelled by some powerful but smooth-running machine. The running walk is a smooth, easy gait for both horse and rider. A true Tennessee Walking Horse will continue to nod while performing the running walk.
4. **Gaits for All Day Pleasure Classes**
 - A. **Trail Walk.** The trail walk is a true walk with a loose rein and no appearance of strain on the part of the horse or rider. The appearance should be that of a pleasure riding horse that is relaxed, content, and manageable.
 - B. **Pleasure Gait.** The pleasure gait is to be performed at moderate speed and can be a variation of any saddle horse gait with no preference given to any particular gait over another. The gait should be consistent and balanced and should appear easy and comfortable to ride. Excessive speed is not a desired trait. Manners are paramount in this division. Horses should stand quietly and back readily. Positive credit will be given to horses that display such qualities as responsiveness, steadiness, manners, and traveling on a loose rein.
