An identification number for each horse must be entered on all entry forms for recognized competitions. Only one Horse ID Number will be issued per horse, and must remain with the horse through its career. Anyone knowingly applying for a duplicate Horse ID Number for an individual horse may be subject to disciplinary action. The Federation must be notified of any change of ownership and/or show name of the horse. Owners are requested to notify the Federation of corrections to previously submitted information, e.g. names, addresses, breed registration, pedigree or markings. <https://www.usef.org/compete/resources-forms/horse-services> and download US Equestrian Horse Application form.

Exhibitors, owners, trainers, and veterinarians are cautioned against the use of medicinal preparations, tonics, pastes, and substance. The collected funds are used for research, inspection, and enforcement of rules regarding use of medication and drugs. If the USEF elects this show for testing for the above, the exhibitor MUST submit his/her horse for testing as requested. Any questions about the use of certain medications should be directed to the USEF drugs and medications programs: 800-633-2472 or medequestrian@aol.com

In the case of a horse that is unable to receive either of the vaccinations due to history of adverse reactions, the exhibitor, upon request from competition management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the competition management, steward, or technical delegate when requested.
 - C. Horses known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd may not be entered in an exhibition. Warts and ringworm are considered communicable diseases. Therefore, horses affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.

- D. All horses will be inspected by the official veterinarian on the opening date of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any horses with symptoms of infectious or communicable disease. They may not enter a show ring. This includes horses with warts or ringworm.
- E. Horses not originating in Minnesota: Horses must meet the Minnesota Importation requirements in addition to the above requirements. Health certificates must list the Minnesota State Fair as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition.
- F. VETERINARIAN SERVICES. The State Fair has a veterinarian on duty 24 hours a day. Phone number (651) 642-2340. All services should be paid for in cash upon completion.

29. HELMETS.

- A. It is compulsory for all persons at Federation Licensed Hunter, Humper or Hunter/Jumper competitions, when mounted anywhere on the competition ground to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the national anthem only; they must refasten their headgear prior to the lap of honor. It is the responsibility of the rider or the parent or guardian of the junior exhibitor to see to it that the headgear intended for equestrian use, and is properly fitted and in good condition. See USEF GR 801.
- B. Except as may otherwise be mandated by local law, all juniors riding in Hunter, Jumper and Hunter Seat Equitation sections, and all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag.
- C. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition.
- D. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries. See USEF rules GR 801.

30. NO GOLF CARTS PERMITTED ON FAIRGROUNDS FOR DURATION OF STATE FAIR HORSE SHOWS.

31. **GOLF CARTS and MOTORIZED VEHICLES.** USEF Rule GR1301 Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian, or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. No golf carts/cars of any type will be permitted within the barn area, except official State Fair carts. Others will be impounded at owners' expense.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others.
