### EXHIBITOR INFORMATION.

1. **Minnesota State Fair Livestock Show ethics.**
  - A. The Minnesota State Fair has a responsibility for maintaining a first-class image of fairness and ethics in the show ring. We seek to promote good animal husbandry, attractive barn exhibits and a high quality show for exhibitors and spectators.
  - B. Each exhibitor must consent and agree to abide by the IAFE National Code of Show Ring Ethics, as printed. All animals will be subject to examination by the judge and/or superintendent for any violations of the code of ethics.
  - C. Exhibitors are expected to obey the official promptly in producing their stock when instructed to do so. Stock must be in the ring promptly after the class is called, and it will be taken for granted that any person failing to comply with this rule is not a competitor for the premiums offered.
    1. Exhibitors must show their animals at such times and places as directed, and furnish such information concerning their stock as may be required by the superintendent. In cases of refusal to obey this rule any or all premiums will be forfeited and the exhibitor barred from showing.

- D. No animal will be awarded a prize unless removed from its stall and exhibited, with catalog number attached, in the show ring.
    - 1. Animals not exhibited when called out by the ring steward or superintendent, unless specially excused, will be charged \$50 per head for the use of stalls or be removed from the grounds, as the management may decide.
  - E. Exhibitors must keep their stalls and pens open and stock uncovered from 8 a.m.–8 p.m. during each day of exhibition. Exhibitors using tie outs must have their stock back in the barns by 8 a.m. each morning.
    - 1. Exhibitors must keep the space in the rear of their stalls and pens clear and clean; all litter and manure must be placed where indicated by the department superintendent.
2. **IAFE (International Association of Fairs and Expositions) National Code of Show Ring Ethics.** Submission of entry indicates an agreement to abide by all conditions and rules listed below.
- A. Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE Code of Show Ring Ethics”, fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.
    - 1. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine examples. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.
  - B. **The following is a list of guidelines for all exhibitors and all livestock in competitive events:**
    - 1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
    - 2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
    - 3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
    - 4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.
      - a. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
      - b. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications, for the sole purpose of protecting the health of the animal, shall be administered by a licensed veterinarian. \*The Minnesota State Fair allows exceptions in breeding classes for sound management practices such as mastitis or pneumonia control.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
  6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.
  7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
  8. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics, or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
  9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in, or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
  10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of the Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary actions taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
  11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and also in violation of federal, state or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
3. **NALS&RMA Rule Infraction Database.** Barred or Disqualified Exhibitors: The Minnesota State Fair, in cooperation with the North American Livestock Show and Rodeo Managers Association (NALS&RMA), Rule Infraction Database (RID), reserves the right to refuse entry of any exhibitor who has been barred or disqualified from any other show on the basis of unethical practices referred to in the International Association of Fairs and Expositions (IAFE), National Code of Show Ring Ethics.
  4. **ALL SPECIES. Livestock Health Regulations and Identification.** All animals will be inspected by the official veterinarian the opening day of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility, or from the exhibition premises, any animal showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts.
    - A. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show, and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the State Veterinarian and owner or exhibitor of said animal must abide by the decision of this veterinarian. Animals with warts or ringworm may not be shown. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable. Animals known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined flock may not be entered in an exhibition.
    - B. **Identification.** The goal of these ID requirements is to uniquely identify animals so they can be traced to their source in a disease outbreak.
      1. All cattle, swine, sheep and goats exhibited at the fair must have official identification (ID) that meets the requirements of both state and federal animal identification rules. The type of ID used in each species may vary, but each official ID is unique to that animal within the United States. For pictures of official ear tags and more information about official ID in livestock, visit the Board of Animal Health Official ID page at [bah.state.mn.us/official-id/](http://bah.state.mn.us/official-id/).

2. There are no state or federal requirements at this time to officially identify camelid species or rabbits. Some members of the poultry group will need to be individually banded so they may be identified to their owner at the fair.
5. **Taxpayer identification.** Internal Revenue Service (IRS) regulations require the Minnesota State Fair to collect a TIN (Taxpayer Identification Number) from exhibitors. The Minnesota State Fair files information returns with the IRS; this information is used by the IRS for identification purposes, and for verification of the accuracy of tax returns. Exhibitors receiving premiums totaling \$600 or more will receive tax form 1099-MISC the following January.
  - A. **For most, the TIN will be a social security number or EIN individual tax identification number.** Failure to furnish a TIN upon request may result in penalties. You will not be permitted to show if you do not supply this number.
    1. You must provide your TIN whether or not you are required to file a tax return.
    2. Each exhibitor must provide his/her own TIN.
    3. Premium checks will be made out to the name and address listed on the W-9 (W-8BEN or W-8ECI for foreign exhibitors).
  - B. **Foreign exhibitors.** The Minnesota State Fair is required to withhold 30% of the gross payment to all foreign payees, including livestock and horse exhibitor premium payments. If a foreign person is the beneficial owner of the income they should complete a W-8BEN form. This form:
    1. Establishes foreign status.
    2. Claims that the person is the beneficial owner of the income for which the form is being furnished or is a partner in a partnership subject to withholding and;
    3. If applicable, claims a reduced rate of or exemption from withholding under an income tax treaty.
    4. A completely filled out W-8BEN must include either line 6 or line 7. For an exemption under tax treaty benefits, they must fully complete lines 9 and 10 stating article of the treaty and an explanation of the reason the article applies. More information on tax treaties is available at [www.irs.gov](http://www.irs.gov). Instructions and form W8-BEN. The form and instructions may be found at: [taxmap.ntis.gov/taxmap/ts0/formsw8\\_o\\_1a444eca.html](http://taxmap.ntis.gov/taxmap/ts0/formsw8_o_1a444eca.html).
6. **Refunds.** Request for refunds may be made through Thursday, Aug. 8, 2024.
  - A. **No refunds for entries canceled after Aug. 8, 2024, except in the event of contagious disease or injury.** Request for refund must be in writing, and must include a written doctor's or veterinarian's note.
  - B. **No refunds \$10 and under will be issued.**
  - C. Refunds are issued after all Minnesota State Fair department premium checks have been distributed.
7. **Fire safety and Electrical requirements.** The State Fair is working with the State Fire Marshal and the fair's own life safety staff to ensure an incident free exposition. Your expected cooperation in complying with these requirements is appreciated. They will be enforced on a 24-hour basis; please plan accordingly. The following rules are in place to help keep safe power supplies operable in the barns. The Minnesota State Fair reserves the right to order excess electrical equipment removed if necessary to protect power supplies, stock and exhibitors.
  - A. **Smoking.**
    1. Smoking is NOT permitted in the barn at any time.
      - a. For the comfort and safety of all, designated smoking areas have been established at specified locations throughout the fairgrounds. Smoking (including use of electronic cigarettes) is now permitted only in these areas.
  - B. **Prohibited.**
    1. **Open flames are strictly prohibited.**
    2. Ignition sources such as frying pans, coffee pots, hot plates, toasters, toaster ovens and warming trays are prohibited.
    3. Fuel powered generators and fuel containers are prohibited in the barn and in the livestock parking areas.
    4. Extra lighting in exhibit areas will not be allowed.
  - C. Decorative material must be rendered and maintained flame retardant in accordance with the state fire code; documentation is required.
  - D. **Electrical equipment.** All electrical equipment (fans, blowers, extension cords, etc.) is subject to electrical inspection and subject to removal if unsafe and/or does not meet electrical codes.
  - E. **Fans.** Any fans used must be suspended at the front of cattle. For purposes of electric conservation and safety, it is asked that fans be kept to a minimum and used only for heat stress prevention.

- F. **Extension cords.** All extension cords must be at least 12 gauge or larger Type G, PPE, S, SE, SEO, SEOO, SC, SCE, SCT, SO, SOO, ST, STO, STOO, W or other types identified for extra-hard usage and must be of the grounding type.
    - 1. Extension cords must also be three-wire flexible.
    - 2. No lightweight (2 wire) extension cords or “zip” cords (18 gauge or smaller) may be used anywhere on the State Fairgrounds.
      - a. Octopus plugs and two-wire extension cords often create a fire hazard and will be removed if found in use during an event.
      - b. Cables with a “J” in the type designation (Such as Type SJT) are not permitted.
  - G. **Doors to the Cattle Barn electrical box rooms must be kept clear at all times.**
  - H. **Blocking exits, walkways, extinguishers, electrical panels, or other required safety devices is prohibited.**
8. **Dormitories.** In compliance with Minnesota Department of Health licensing regulations, the number of beds available for open class exhibitors in the dorms is limited. Exhibitors may purchase space to camp in the livestock lots (see Livestock exhibitors overnight parking below).
9. **Vehicles and parking.**
- A. **Livestock exhibitor parking, overnight.**
    - 1. **Limited space; filled by computer generated lottery.**
    - 2. Complete information available online [mnstatefair.org](http://mnstatefair.org).
  - B. **Livestock exhibitor parking, daily.** Ordered with livestock entries.
    - 1. Allocated on a first come, first served basis. Valid only for dates showing (based on entries).
    - 2. Limit of two per exhibitor.
    - 3. License number(s) MUST be included with order
  - C. **Trucks and trailers.** Parked across Como Ave. in Stella lot and Block 55.
  - D. **Vehicle inspection.** For security and safety concerns, vehicles entering the Minnesota State Fairgrounds beginning Monday Aug. 5, 2024 and through the run of the fair, will be subject to inspection.
    - 1. Vehicle entry restricted to either Gate 1 (north Underwood St.) or Gate 14 (Canfield St.).
10. **Admission fees.** Entry into the Minnesota State Fair shall be solely contingent upon presentation and surrender of a valid ticket of admission in accordance with the schedule of gate admission prices at [mnstatefair.org](http://mnstatefair.org).
- A. **Pre-fair livestock and horse exhibitor discount admission tickets.** Livestock exhibitors may purchase gate admission tickets at a discounted rate. Information on purchasing is included as a link in the confirmation email received after registering online. Limit 12 tickets per order. Available delivery methods include Print-At-Home or Regular Mail. From Aug. 8-21, 2024, sales are for Print-At-Home or mobile ticket delivery only.
  - B. When leaving the fairgrounds, exhibitors and fair visitors may ask for a re-admittance privilege, which allows reentry onto the fairgrounds at Gate 14 on the same day without paying another admission.

3. **Forage. All forage must be paid for when ordered.**
  - A. No paper bedding permitted.
4. **Exhibitor eligibility.**
  - A. Exhibitors may show llamas owned by other individuals; they must present a permission to show form completed and signed by the llama owner.
  - B. **Youth.**
    1. No youth under 12 years of age shall be permitted to show intact males over 24 months of age without the permission of show management.
    2. Age is determined by age as of Jan. 1 of the current show year, except for seven year olds, who are eligible to show as of their birthday.
    3. Youth showmanship and performance classes may be combined if there are eight or fewer entries.
5. **Animal eligibility.** All llamas five months and older entered in approved classes must be registered or have passed screening in the Llama division of the International Llama Registry (ILR) or Canadian Livestock Records Corporation (CLRC), with the exception of animals in youth classes, performance classes and non-breeder classes. Original registration papers required at check-in at the show on all breeding llamas and non-breeding llamas with the exception of youth classes.
  - A. No llama less than five months of age may be shown. Also applies to get of sire and produce of dam classes.
  - B. Nursing llama mothers may not be accompanied in the ring with their babies, we recommend nursing llama mothers not be shown.
  - C. Non-breeder classes are for geldings, vasectomized males, and spayed or non-reproductive females that are suitable for other purposes. These llamas must be accompanied by a registration or veterinarian certificate verifying the above condition.
  - D. Unregistered non-breeders shown in the halter classes must be shown in the adult age division.
  - E. Animals shown in groups must be entered and shown in regular open individual classes. Exhibitor must indicate on entry form the group classes in which they plan to show. Individuals comprising such groups need not be named at the time of making entry but must be given to department superintendent prior to showing. This includes get of sire and produce of dam classes.
6. **Health regulations.** All animals will be inspected by the official veterinarian the opening day of the exhibition and daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility, or from the exhibition premises, any animal showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts.
  - A. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion at the discretion of the official veterinarian.
    1. **Suspected illness.** If illness of any nature is suspected in any animal, the animal is subject to examination by the official veterinarian and owner or exhibitor of the animal must abide by the decision of the official veterinarian.
    2. **Infectious, contagious or communicable disease** Animals known by the exhibitor to have an infectious, contagious or communicable disease, or to have been exposed to an infectious, contagious or communicable disease, or known to originate from a quarantined flock or herd may not be entered in exhibition.
    3. **Animals with warts or ringworm may not be shown.** A statement from a veterinarian that an animal is being treated will not be accepted.
  - B. **Certificate of Veterinary Inspection (CVI).**
    1. **Camelids from Minnesota.** Not required.
    2. **Camelids from outside Minnesota.** Required. CVI is valid for 30 days from the date the animals were inspected by an accredited veterinarian.
      - a. Must list the Minnesota State Fair as consignee and will be accepted upon examination of the CVI.
      - b. Must meet the Minnesota Importation requirements. See [bah.state.mn.us/imports/](http://bah.state.mn.us/imports/), or call the Minnesota Board of Animal Health at 651-296-2942.
      - c. Must meet the importation requirements of their state of origin if they are returning.
7. **Substitution.** Substitution within a class may be allowed for cause at the discretion of the superintendent, and received in the Competition Department by 4:30 p.m. the day before the animal is to be judged.

8. **Showing.** Llamas may not be moved from one halter class to another after halter judging has begun except at the discretion of the judge.
  - A. Show officials reserve the right to combine classes depending upon the number of entries. Senior youth, intermediate youth and junior youth classes may be combined if there are eight or fewer entries in any of the classes.
  - B. Llamas may be entered in only one of the divisions for each type of performance class. Llamas are to be entered in the division for which they are eligible at the time of the show.
9. **Definitions.**
  - A. **Open.** All performance llamas not entered in youth divisions.
  - B. **Senior youth.** Ages 15–18 years.

## Biosecurity Recommendations for Exhibitors

### At the Fair:

#### Remember to:

- Report health concerns to the official veterinarian.
- Not share equipment with other exhibitors.
- Minimize nose-to-nose contact with other livestock.
- Minimize animal-to-human contact.
- Avoid use of communal water sources.
- Minimize animal stress by keeping them cool and comfortable, and providing food and water from home.
- If you're also caring for animals at home while exhibiting at the fair:
  - Do the chores at home first.
  - Change clothes to care for the animals at home and at the fair.
- Wash your hands with soap and water and dry them well.

### Before Returning Home:

- Clean and disinfect all equipment (tack, buckets, shovels, wheelbarrows).
- Properly dispose of unused bedding, hay, and feed.
- Wash your hands with soap and water and dry them well.

### At Home:

- Shower, blow your nose, and put on clean clothes and shoes.
- Clean and disinfect vehicles and trailers used to transport animals home from the fair.
- Keep returning livestock separate from other animals for up to four weeks.
  - Feed and work with returning animals last.
  - Wear different clothes and boots when working with returning animals.
- Wash your hands with soap and water and dry them well.
