About Jonas Brothers: Jonas Brothers' new single "Waffle House," released via Republic Records on April 7, 2023, launches a new era for the band's latest full-length record "The Album," executive produced by Jon Bellion (Justin Bieber, Maroon 5, Halsey). "The Album" is set for release on Friday, May 12, 2023. Earlier this year, on Jan. 30, the band received a star on the Hollywood Walk of Fame, kicking off a busy 2023. "Sucker," the 5x-platinum single, debuted at No. 1 on Billboard's Hot 100 in 2019, becoming the first No. 1 for the band and the first No. 1 debut from a group this century. The band went on to release "Chasing Happiness," an Amazon Original film documenting the brothers' rise and return to music, before going on to deliver their third No. 1 album with the arrival of their platinum-selling "Happiness Begins" (Republic Records). In the wake of "Happiness Begins," the band garnered a bevy of awards, including three trophies at the 2020 Billboard Music Awards in the categories of Top Duo/Group, Top Radio Songs Artist and Top Radio Song for "Sucker"; a 2019 MTV Video Music Award for Best Pop Video; Best Duo/Group at the 2020 iHeart Music Awards; and two Teen Choice Awards, including the prestigious Decade Award. They also picked up nominations at the American Music Awards, a coveted Grammy nomination, and more. In 2021, Jonas Brothers teamed up with Marshmello for "Leave Before You Love Me," claiming a Top 10 spot on Top 40 radio for six weeks and tallying millions of streams and views. jonasbrothers.com
